I, **SEBASTIAN DAVID HAMS** of Level 31, 525 Collins Street, Chartered Accountant, **SAY ON OATH:**

1. I am, together with Mark Mentha, Michael Korda and Lara Wiggins, a voluntary administrator of the second plaintiff, being OneSteel Manufacturing Pty Limited (administrators appointed) ACN 004 651 325 (**OneSteel**).
2. I make this affidavit on behalf of myself and the other voluntary administrators (the **Administrators**). References in this affidavit to “we”, “us”, “our” or “ourselves” are references to the Administrators.
3. Except where I otherwise indicate, I make this affidavit from my own knowledge. Where I depose to matters from information and belief, I believe those matters to be true.

4. Exhibited and shown to me at the time of swearing this affidavit is a bundle of documents to which I refer in this affidavit that are paginated and marked "**SDH-1**". Where I refer to a document within Annexure SDH-1, I do so by referring to the page number within the bundle.

Introduction

5. I am a Chartered Accountant. I am an employee of KordaMentha and have the title of Partner. KordaMentha is an advisory and investment entity that provides amongst other services, restructuring and turnaround advice and services. I am a Registered Liquidator. I have over 20 years' experience advising stakeholders in complex advisory, insolvency and restructuring assignments.
6. I make this affidavit in support of the relief sought in the Originating Process. As set out in further detail below, the Administrators make this application to permit the unions referred to below to vote on behalf of their members employed by OneSteel at meetings of OneSteel's creditors save for those creditors who appear in person or virtually at those meetings:
- (a) Australian Workers' Union (**AWU**);
 - (b) Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union (**AMWU**);
 - (c) Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia (**CEPU**); and
 - (d) Construction, Forestry and Maritime Employees Union (**CFMEU**),
- (collectively, the **Unions**).

Appointment of the Administrators

7. On 19 February 2025, the Administrators were appointed as joint and several administrators of OneSteel pursuant to section 436C of the *Corporations Act 2001* (Cth) (**Act**). A copy of the Administrators' notice of appointment lodged with ASIC in respect of OneSteel is at **pages 1 to 3 of Annexure SDH-1**. A copy of the ASIC company search performed in relation to OneSteel is at **pages 4 to 379 of Annexure SDH-1**.
8. On 19 February 2025, the Administrators caused KordaMentha to establish a website in respect of the administration of OneSteel, accessible via: <https://kordamentha.com/creditors/onesteel-manufacturing-pty-limited> (**OneSteel Website**).
9. On 19 February 2025 the Administrators posted an announcement on the OneSteel Website stating amongst other things that the first meeting of creditors of OneSteel (**First Creditors Meeting**) would be held on Monday, 3 March 2025 at 2 pm (ACDT) in Whyalla and also virtually. A true copy of that announcement is at **pages 380 to 382 of Annexure SDH-1**.

10. On 20 February 2025, the Administrators posted to the OneSteel Website a circular to OneSteel creditors informing them that the Administrators had been appointed to OneSteel pursuant to s 436C of the Act. A link to the circular was also sent via email to all known creditors on 20 February 2025. The circular stated that a formal circular to creditors would be uploaded to the OneSteel Website on 24 February 2025. The circular also stated that the Administrators intend to continue to operate OneSteel during the administration process to maximise the chances of the business continuing in the interests of all stakeholders.
11. On 24 February 2025, the Administrators posted to the OneSteel Website circulars to creditors and employees and a "Frequently Asked Questions" memorandum directed to employees of OneSteel (**Employee FAQ**), which informed OneSteel employees that the First Creditors Meeting would be held on Monday, 3 March 2025 at 2 pm (ACDT) in Whyalla and virtually. The Employee FAQ also stated that employee creditors attending online or in person will be provided with an opportunity to vote on the resolutions. The FAQ did not refer to this application to the Court.
12. True copies of the OneSteel circulars to creditors and employees and the Employee FAQ are at **pages 383-472 of Annexure SDH-1**.

Communications with unions and employees

13. On 20 February 2025, Mark Mentha, Chelsea Rowe, Manager at KordaMentha, Leon Zwier and I met with representatives of AWU, AMWU, CEPU, CFMEU and Maritime Union of Australia (**MUA**) in the boardroom of OneSteel in Whyalla to discuss, amongst other things, our recent appointment as voluntary administrators of OneSteel. In the course of that discussion, we were asked about how we would help facilitate the employees being able to vote at the creditors meeting. Leon Zwier told the unions that we intended to make this application prior to the First Creditors Meeting so that each union may be authorized by the court to represent all union member employees other than those members who attend themselves. Leon Zwier also said that such orders are now commonplace having previously been made in the Ansett administration in 2001 and subsequently when the Arrium Group, including OneSteel, was first placed into voluntary administration in 2016. Leon Zwier also said that rather than have the unions each making their own application for this relief with their own lawyers, it would more efficient and less costly for the Administrators to make this application with union support. I said that we would appoint Chelsea Rowe to manage this proposed application and employee issues more generally.
14. On 20 and 21 February 2025, Ms Rowe sent emails to the AWU, AMWU, CEPU, CFMEU and MUA requesting that each union:
 - (a) ensure that employee memberships are up to date;

- (b) provide the Administrators with a list of all employees represented by the union; and
- (c) nominate a single point representative to represent that union's members for voting purposes at creditor meetings.

A copy of Ms Rowe's emails to the Unions are at **pages 479 to 519** of **Annexure SDH-1**.

15. On 24 February 2025, the Administrators posted the following on the OneSteel Website:
 - (a) A circular to employees of OneSteel (**Employee Circular**), which was updated the following day;
 - (b) the Employee FAQ;
 - (c) a circular to creditors and suppliers;
 - (d) a notice of meeting;
 - (e) a proxy form;
 - (f) a proof of debt form; and
 - (g) a creditor FAQ regarding the first meeting, proxies and proof.
16. The Employee Circular stated, among other things, *"if you are a member of the union and wish to be represented at the meeting by your union's representative, or you do not wish to attend the meeting, please reach out to your union for the relevant proxy details."* A copy of the Employee Circular and updated Employee FAQ are at **pages 427 to 478** of **Annexure SDH-1**.
17. On 24 February 2025, Shane Karger of the AWU responded to Ms Rowe's email dated 20 February 2025 attaching two lists containing the details of 369 AWU members. A true copy of the email from Mr Karger to Ms Rowe with redacted attachments is at **pages 481 to 490** of **Annexure SDH-1**.
18. On 24 February 2025, Steve McMillan of the AMWU responded to Ms Rowe's email dated 20 February 2025 stating that he is the 'single point representative' for AMWU and attaching three lists containing the details of 160 AMWU members. A true copy of the email from Mr McMillan to Ms Rowe with redacted attachments is at **pages 492 to 500** of **Annexure SDH-1**.
19. On 21 February 2025, John Adley of the CEPU responded to Ms Rowe's email dated 20 February 2025 stating that he is the 'single point representative' for CEPU and attaching a list containing the details of 96 CEPU members. A true copy of the email from Mr Adley to Ms Rowe with a redacted attachment is at **pages 501 to 511** of **Annexure SDH-1**.
20. On 25 February 2025, Josh Liley of the CFMEU responded to Ms Rowe's email dated 20 February 2025 attaching a list containing the details of 38 CFMEU members. A true copy of the email from Mr Liley to Ms Rowe with a redacted attachment is at **pages 512 to 515** of **Annexure SDH-1**.

21. On 25 February 2025, Brett Larkin of the MUA responded to Ms Rowe's email dated 20 February 2025 stating that MUA "are not required to provide our members details as we're not seeking entitlements etc". A true copy of the email from Mr Larkin to Ms Rowe is at **page 516 of Annexure SDH-1**.
22. On 25 February 2025, each of the Unions sent a letter to Arnold Bloch Leibler requesting that the Administrators (urgently) apply to the Court for orders which:
 - (a) permitted a nominated representative of each union to vote on behalf of all union members entitled to vote at the First Creditors Meeting of OneSteel, excluding:
 - (i) employees who attend the First Creditors Meeting; and
 - (ii) employees who sign a proxy appointing another person to attend the meeting on their behalf.
23. True copies of the letters from the Unions to ABL are at **pages 520 to 527 of Annexure SDH-1**.
24. The AWU letter dated 25 February nominated Zachary Duncalfe as the AWU representative for the purposes of the application. The AWU letter further stated as follows:

The AWU OneSteel members are creditors of OneSteel and are entitled to have their interests represented at the first creditors meeting.

However, the substantial number of OneSteel members and the short time between now and the first creditors meeting presents a barrier for the AWU to ensure that each OneSteel member is provided an opportunity to sign an individual proxy form nominating an official of the AWU as their proxy at the creditors meeting.

Additionally, as the Whyalla Steelworks is a 24/7 operation, the rostering arrangements present another barrier for the AWU to ensure that all members are provided an opportunity to complete and return an individual proxy form.

The above circumstances surrounding the administration of OneSteel create significant difficulties for OneSteel members in having their interests properly represented at the first meeting of creditors.
25. The AMWU letter dated 25 February 2025 nominated Steve McMillan as the AMWU representative for the purposes of the application. The AMWU letter further stated as follows:

The affected AMWU members are creditors of OneSteel and, as such, are entitled to have their interests represented at the first and any subsequent creditors meetings.

The AMWU is aware that the first creditors meeting is to be held on Monday 3 March 2025. Given the short timeframe and the number of affected AMWU members, this creates difficulties for the AMWU affected members in having their interests properly represented at the first meeting of creditors. This difficulty is also compounded by the logistical challenge of ensuring that individual proxy forms are signed by and lodged with the Administrators ahead of the meeting.
26. The CEPU letter dated 25 February 2025 nominated John Adley as the CEPU representative for the purposes of the application.

27. The CFMEU letter dated 25 February 2025 nominated Travis Hera-Singh as the CFMEU representative for the purposes of the application.
28. The CEPU and CFMEU letters dated 25 February 2025 were in substantially the same form and stated as follows:

The Affected [CEPU/CFMEU] Members are creditors of OneSteel and are entitled to have their interests represented at the first creditors meeting.

Present circumstances make it difficult for Affected [CEPU/CFMEU] Members to have their interests properly represented at the first meeting of creditors. Those circumstances include:
(a) that some Affected [CEPU/CFMEU] Members reside outside of Whyalla;
(b) the short time frame before the first meeting of creditors; and
(c) the logistical challenge of having individual proxy forms signed appointing the [CEPU/CFMEU].

29. On 26 February 2025, ABL responded to the Unions (copied to the MUA) confirming that the Administrators intended to make the application as requested. A copy of ABL's letter is at **page 528 of Annexure SDH-1**.
30. On 26 February 2025, Arnold Bloch Leibler provided copies of the draft Originating Process and an unsworn copy of this affidavit to:
- (a) the Unions;
 - (b) the Australian Securities and Investments Commission;
 - (c) Lipman Karas, solicitors for the State of South Australia; and
 - (d) the Commonwealth Department of Employment and Workplace Relations.
31. Copies of ABL's correspondence dated 26 February 2025 (excluding attachments) is at **pages 529 to 533 of Annexure SDH-1**.

OneSteel Employees

32. Based on our preliminary investigations of the books and records of OneSteel, the Administrators have identified that OneSteel currently employs 1,487 employees directly. (Many more are employed indirectly through independent contractors). The estimated entitlements of those employees (direct and indirect), including annual leave, long service leave, pay in lieu notice and redundancies, is in excess of \$100 million. Our investigations are ongoing.
33. The largest group of creditors in the OneSteel administration (by number) will be the employee creditors. Based on the lists received from the Unions, the number of OneSteel employees who are also Union members is over 663, and includes:
- (a) AWU: 369 members;

- (b) AMWU: 160 members;
 - (c) CEPU: 96 members; and
 - (d) CFMEU: 38 members.
34. Employees are likely to experience difficulty attending creditors meetings in person or electronically. OneSteel operates mines and steelworks and the mining operations are about 60 kilometers from the town of Whyalla. OneSteel's blast furnace operates 24 hours a day, with three alternating shifts. The steelworks operate two alternating shifts. Those employees who work on site and are on shift will be unable to cease working to attend the meetings. Furthermore, those employees who have previously worked, or are about to work a shift are likely to be sleeping or resting.
35. The Unions have also stated that in the short time available prior to the First Creditors Meeting, they will not be able to mobilise and obtain signed proxy forms from each of their members who are entitled to vote.
36. In order for the Administrators to maintain the best chance of continuing the operations of steel manufacturing and mining in Whyalla, it is important to secure the confidence and support of our key stakeholders, including the employees and key suppliers.
37. If the Court grants the relief sought in the Originating Process, it will help us to maintain and build the trust and respect of OneSteel employees and the trade unions that represent them. This trust and respect will be critical to maximising the prospects of OneSteel continuing to operate in the interests of all stakeholders.

Note: For each class of shares issued by a proprietary company, ASIC records the details of the twenty members of the class (based on shareholdings). The details of any other members holding the same number of shares as the twentieth ranked member will also be recorded by ASIC on the database. Where available, historical records show that a member has ceased to be ranked amongst the twenty members. This may, but does not necessarily mean, that they have ceased to be a member of a company.

Insights > KordaMentha appointed voluntary administrators of OneSteel Manufacturing Pty Ltd

Wednesday, 19 February 2025

KordaMentha partners Mark Mentha, Sebastian Hams, Michael Korda and Lara Wiggins have been appointed voluntary administrators of OneSteel Manufacturing Pty Ltd, the owner and operator of the Whyalla steelworks and the iron ore mining operations in the Middlebank Range (together, ‘Whyalla Steelworks and Mining’) in South Australia.

“As administrators, our job is to examine the financial position of the Company, stabilise the business and maximise the chances of the business continuing in the interests of all stakeholders,”

stakeholders, Whyalla Steelworks and Mining will remain in business under our control while we assess the next alternatives and complete our investigations.

“This may take some time, but all parties are committed to ensuring the business remains operational while we work out a plan for its future, securing new investment and possibly transitioning to new ownership.”

The first meeting of creditors will be held on Monday 3 March 2025 at 2pm in Whyalla and also virtually. Further details will be provided in circulars to be issued to creditors and employees in the coming days. In the meantime, any enquiries should be directed to:

Circular to Creditors and Suppliers

24 February 2025

Dear Sir/Madam

OneSteel Manufacturing Pty Limited (Administrators Appointed)
ACN 004 651 325 ('the Company')
Trading as OneSteel Whyalla Steelworks and SIMEC Mining

INITIAL INFORMATION FOR CREDITORS

According to the Company's records, you may be a creditor of the Company.

The purpose of this document is to provide you with information about the voluntary administration of the Company and your rights as a creditor.

Notification of Appointment

Sebastian Hams, Michael Korda, Lara Wiggins and Mark Mentha were appointed Administrators of the Company on Wednesday, 19 February 2025 pursuant to Section 436C of the Corporations Act ('the Act').

The Company is the owner of the Whyalla Steelworks and Middleback Ranges mining operations in South Australia.

The Administrators intend to continue to operate the Company during the administration process to maximise the chances of the business continuing in the interests of all stakeholders. The initial focus will be examining the financial position of the Company and stabilising the business while we develop a plan for its future.

The appointment of Administrators was initiated by the State of South Australia ('the State') following the passing of legislation aimed at ensuring the ongoing viability of the Company's operations.

Prior involvement/independence

Our Declaration of Independence, Relevant Relationships and Indemnities ('DIRRI') is attached as Appendix 1. The DIRRI assists you to understand the status of our independence and who appointed us as Administrators.

Explanation of a voluntary administration

A voluntary administration is a process usually initiated by the directors of a company when they believe that the company is, or is likely to become, insolvent. It may also be initiated by a secured creditor of the Company with an interest in the whole or substantially the whole of the Company's property that is

entitled to enforce its security interest. The appointment of Administrators to the Company was initiated by a secured creditor (being the State) in this instance as referenced above.

A voluntary administration gives a company an opportunity to consider its financial position and its future. Creditors will be given an opportunity to attend meetings and vote on the future of the Company.

As Administrators, we act for all creditors. We will now attend to our responsibilities, including:

- Stabilising operations and trading the business
- Controlling the assets of the Company
- Preparing for and holding meetings of creditors
- Investigating the affairs of the Company
- Analysing any offer for a deed of company arrangement that is received
- Reporting and providing opinions about the Company to creditors
- Holding meetings of creditors to make decisions on the future of the Company.

What are your rights as a creditor?

Information regarding your rights as a creditor is provided in the information sheet enclosed at Appendix 2, being 'Creditors Rights in Voluntary Administration' issued by the Australian Restructuring Insolvency and Turnaround Association ('ARITA'). This includes your right to:

- Make reasonable requests for information
- Give directions to us
- Appoint a reviewing liquidator
- Replace us as voluntary administrators.

What happens to your debt?

All creditors of the Company are now creditors in the voluntary administration.

It is important to note that a voluntary administration creates restrictions on creditors being able to enforce their rights. You generally cannot enforce your claim, recover your property, enforce your security, commence an action to place the Company into liquidation or act on a personal guarantee.

As Administrators, we are not in a position to discharge debts incurred by the Company prior to the date of our appointment. These debts rank as unsecured claims against the Company. Payment of these amounts is dependent on the outcome of the administration.

Payments made by the Administrators must be applied against debts incurred by the Administrators and cannot be applied against any pre-appointment debt of the Company to you.

Personal property security interests and retention of title claims

If you are claiming title to any goods delivered to the Company pursuant to a contract or the Personal Property Securities Act or any lien over goods in your possession which are the property of the Company, details of your claim should be forwarded to our office urgently.

Pursuant to Section 440B of the Act, with the exception of perishable goods, those creditors seeking to enforce a retention of title claim over goods provided to the Company prior to our appointment are precluded from recovering the goods for the period of the administration without obtaining the written consent of the Administrators or alternatively, leave of the Court.

Stay of proceedings

Pursuant to Section 440D of the Act, during the administration, any proceedings in a court against the Company or in relation to any of its property cannot be begun or proceeded with except with the written consent of the Administrators or alternatively, leave of the Court.

Do you have to do anything?

You should now:

- Read this information
- Decide whether you are going to attend the first meeting
- Submit your meeting registration, your Proof of Debt claim, and if required, Proxy Form by 2.00 pm (ACDT) Friday, 28 February 2025.

If you do not think you are a creditor, please let us know.

Ongoing trading

We are currently assessing the financial position of the Company with a view to developing a plan for the future of the Company for consideration by creditors. Whilst this assessment is continuing, we intend to continue to trade the Company since we consider this to be in the best interests of all parties concerned and ask for your support in this regard.

We request your assistance in implementing the steps outlined below:

- Close your accounts with the Company in respect of goods supplied and/or services rendered up to Wednesday, 19 February 2025.
- Open a new account in respect of the Company (including the suffix '(Administrators Appointed)') for all goods supplied and services rendered to the Company at our request.
- Supplies of goods and services must be made in accordance with an official purchase order from the Company which will note Administrators have been appointed.
- Suppliers' new accounts will be paid in accordance with your usual trading terms.

If any orders were placed with you by the Company prior to our appointment and have not yet been completed, these orders should not be completed until a purchase order is received confirming the goods and/or services are still required by the Administrators.

We expressly advise that we have not adopted any contracts or liabilities of the Company in existence as at the date of appointment unless we have formally notified you in writing that we have adopted a specific contract or liability. Payment for use of any goods or services is not an adoption of a contract or liability.

Queries relating to supplier matters and ongoing trading should be directed to onesteelssuppliers@kordamentha.com.

Support package

The South Australian and Commonwealth Governments have announced a support package to assist South Australian businesses impacted by the Company being placed into administration.

The support programs are detailed below:

1. Whyalla Creditor Assistance Payments (WCAP) program

The Whyalla Creditor Assistance Payments ('WCAP') program will be providing payments to eligible South Australian businesses with debts owed by the Company.

All creditors (Whyalla-based or elsewhere in the state of South Australia) that are interested in applying for the WCAP program can submit their details on the South Australian Government's website and will receive a copy of the guidelines and information about next steps when available. If you are a Whyalla-based business, you may be eligible for an interim payment and more information about this will be available in the guidelines. Please visit this website for further information:

<https://statedevelopment.sa.gov.au/whyalla/whyalla-creditor-assistance-program>

2. Whyalla Small Local Business Support Grants (WSLBSG) program

This grant is available to support South Australian, Whyalla-based businesses and not-for-profit organisations that have experienced a reduction in revenue as a result of the decline in activity at the Whyalla steelworks, and its related businesses. Grants of \$10,000 (excluding GST) are available to help recipients meet standing business costs, including utilities, salaries and rent.

Further information on eligibility and other criteria is available on the South Australian Government's website. For more information and to register your interest or learn more about the support programs, please visit this website: <https://statedevelopment.sa.gov.au/whyalla/small-local-business-support-grant>

The Administrators will continue to update creditors on the support programs via the KordaMentha website and other communications.

- b. if so, who are to be the Committee's members.

At this meeting, creditors may also resolve to remove us as Administrators and appoint someone else.

To attend and participate in the meeting, you will need to action the following by 2.00pm (ACDT) on the last business day prior to the meeting, being Friday, 28 February 2025:

- **Register your attendance:** All creditors who wish to vote and attend the first meeting of creditors (whether attending in person or virtually) must register their attendance via the following link:

https://kordamentha.zoom.us/webinar/register/WN_Is2IVtzxRpi8guYYGT00og

- Please complete with the first name, last name and email of the person attending the meeting. This should match to the Proxy Form submitted (if applicable).
- Please include the creditor name (this will be the company that the nominated proxy is representing, or the employee or sole trader name).
- Please confirm whether you will be attending the meeting in person or virtually.

The Administrators will then issue you with a unique meeting invitation link via email (the link is not to be forwarded to other creditors as it is unique to each creditor).

Please note, if you have indicated you or your proxy will be attending in person (physically in Whyalla), you will still be issued a unique meeting invitation link, to be used in voting on resolutions during the meeting. Please bring your phone or other electronic device and have your unique meeting invitation link ready for voting purposes on the day. An 'in person' voting option will also be available should there be any issues with voting electronically.

The meeting invitation will only be issued to creditors who have submitted the required documentation (refer below points).

- **Submit a Proof of Debt Form and information to substantiate your claim:** All creditors (except for employee creditors) must submit a Proof of Debt Form – this can be submitted via the Creditors' Portal (preferred method) here <https://kordamentha.creditors.accountants/>.
 - Please use the email address that the Administrators have issued correspondence to, in order to register as this will automatically link you to your creditor profile in the portal.
 - You may also register by using a uniquely generated Creditor Access Code provided by the Administrators. If you require this code, please contact onesteelcreditors@kordamentha.com to confirm your unique Creditor Access Code that can then be used to register.

- **Submit a Proxy Form:** Creditors who are a company and wish to vote at a meeting must complete and return a Proxy Form, whether they are voting by proxy or their representative is attending virtually or in person. Creditors who are individuals, such as employees or sole traders, and wish to vote at a meeting only need to complete and return a Proxy Form if they are voting by proxy or having a person represent them at the meeting, whether virtually or in person.
 - Proxy Forms must be completed and returned by email to onesteelcreditors@kordamentha.com or post to KordaMentha, GPO Box 2985, Melbourne VIC 3001 (please be mindful of postal delays). A Proxy Form is enclosed at Appendix 5.

Please note, if you are planning to attend the meeting in person in Whyalla, ensure you arrive at least 30 minutes prior to the commencement of the meeting to allow time for registration (registration will open 45 minutes prior as outlined above).

Further information (including Frequently Asked Questions) to assist creditors with respect to the first meeting of creditors, the lodgement of claims via the Creditors' Portal and general matters relating to the administration can be found at <https://kordamentha.com/creditors/onesteel-manufacturing-pty-limited>.

Proxies and proofs of debt

With respect to participating in the meeting, please note the following further information:

- **Proofs of Debt:** You must submit a proof of debt and information to substantiate your claim (process detailed above).
- **Proxy Form:** You may be required to appoint a person – a ‘proxy’ or person authorised under a power of attorney – to vote on your behalf at the meeting. This will be necessary if you are unable to attend the meeting in person or virtually, or if the creditor is a company (process detailed above).

If you are representing a company, please ensure that your Proxy Form is executed pursuant to Section 127 of the Act or your representative is appointed pursuant to Section 250D of the Act, otherwise you will not be entitled to vote at the meeting.

You can appoint the chairperson of the meeting or another person as your proxy and direct the chairperson or that person how you wish your vote to be cast. If you choose to do this, the chairperson or that person must cast your vote as directed.

Creditors should note that Proof of Debt Forms lodged for this meeting are for voting purposes only but may be used for voting on resolutions by proposals without a meeting and distribution purposes, including in a subsequent external administration of the Company.

Proxy Forms and Proof of Debt Forms must be received no later than 2.00pm (ACDT) on the last business day prior to the meeting, being Friday, 28 February 2025, failing which creditors or their proxies may be excluded from voting at the meeting.

Proxy Forms should be emailed to onesteelcreditors@kordamentha.com. Proof of Debt claims should be lodged via the Creditors’ Portal here <https://kordamentha.creditors.accountants/> (preferred method) or by email to onesteelcreditors@kordamentha.com.

General information regarding the conduct of meetings of creditors and the completion of Proxy Forms and Proof of Debt Forms can be found on our website www.kordamentha.com in the [Creditors section](#).

Section 110D of the Act permits electronic notification to creditors of notices and documents. If you do not have access to the internet, you can request that a copy of the report be mailed to you.

Second meeting of creditors

We will hold a second meeting of creditors in due course. The purpose of that meeting is for creditors to consider our report and vote on the future of the Company. Before that meeting, you will be sent the notice of meeting and a detailed report which includes the options for the Company’s future. We will also give our opinion as to what option we think is in the best interests of creditors.

Committee of Inspection

At this meeting, creditors will consider whether a Committee of Inspection should be appointed. The role of a Committee of Inspection is to consult with the Administrators and receive reports on the conduct of the administration. A Committee of Inspection can also approve the Administrators’ fees.

It is our opinion that a Committee of Inspection would be useful to assist with the conduct of the administration. An information sheet on the role of a Committee of Inspection is enclosed at Appendix 6. You should consider whether you would like to act as a member of the Committee of Inspection.

Administrators' remuneration and disbursements

Our remuneration is paid from the Company's funds, including realisations from assets or from money paid to us by others, such as the State. If there is not enough money in the administration, we may not get paid for all the time we spend on the administration. If there is no money in the administration, we will not get paid at all. However, we will still attend to our statutory duties.

Approval of our remuneration for the work that we do in completing the administration and internal disbursements may be sought from the creditors or, in respect of remuneration only, a Committee of Inspection, if one is appointed. If we do seek approval, detailed information will be provided before requesting approval so that the approving parties can understand what tasks we have undertaken and the costs of those tasks. It will also explain what the internal disbursements were for and how they were calculated. Approval may be sought at a meeting of creditors or by resolution by proposal without a meeting (i.e. all the information is sent to you and you send back your response).

Enclosed at Appendix 7 is our Initial Remuneration Notice. This document provides you with information about how we propose to be remunerated for undertaking the administration and how disbursements may be calculated and incurred.

**Appendix 1 – Declaration of Independence, Relevant Relationships
and Indemnities**

Corporations Act 2001

Declaration of independence, relevant relationships and indemnities

OneSteel Manufacturing Pty Ltd (Administrators Appointed) ACN 004 651 325 ('the Company')

The purpose of this document is to assist creditors with understanding any relevant relationships that we, the administrators, have with parties who are closely connected to the Company and any indemnities or upfront payments that have been provided to us. None of the relationships disclosed in this document are such that our independence is affected.

This information is provided so you have trust and confidence in our independence and, if not, you can ask for further explanation or information and can act to remove and replace us if you wish.

This declaration is made in respect of us, Mark Mentha, Sebastian Hams, Lara Wiggins and Michael Korda, our partners and the KordaMentha Group, including the entities disclosed on the Creditors page on the KordaMentha website: [DIRRI - listing of associated KordaMentha entities](#).

We are Professional Members of the Australian Restructuring Insolvency and Turnaround Association ('ARITA'). We acknowledge that we are bound by the ARITA Code of Professional Practice.

Independence

We have assessed our independence and we are not aware of any reasons that would prevent us from accepting this appointment.

There are no other known relevant relationships, including personal, business and professional relationships that should be disclosed beyond those we have disclosed in this document.

Circumstances of appointment

How we were referred this appointment

This appointment was referred to us by LK Law Pty Ltd ('LK') as lawyers for the State of South Australia ('the State').

We believe that the above referral does not result in a conflict of interest or duty because:

- LK has not previously referred any insolvency type matters to us or our firm.
- KordaMentha previously provided consulting services to the Central Adelaide Local Health Network ('CALHN'), a Local Health Network under SA Health that reported to the State's Minister for Health and Wellbeing. This was not a formal insolvency matter and our work ceased over four years ago.
- The State has not previously referred any other insolvency type matters to us or our firm.
- We have not identified any issues in relation to the relationships with LK or the State that would give rise to a conflict in undertaking the external administration of the Company. These relationships have not impeded our independence.
- Referrals from lawyers, accountants, business advisors and government agencies are commonplace and do not impact on our independence in carrying out our duties as administrators.

There is no expectation, agreement or understanding between us and LK or the State regarding the conduct of the voluntary administration and we are free to act independently and in accordance with the law and applicable professional standards. However, we have entered into a funding arrangement with the State as outlined in this document.

Below is a summary of our interactions with LK, the State and other relevant parties prior to the appointment:

- On 23 December 2024, Mark Mentha received a telephone call from Bruce Carter in his capacity as Chair of the Steel Task Force (established by the State in 2015), to discuss the status of the Whyalla Steelworks and the possibility of the Company entering into external administration in the future.
- On 20 January 2025, Mark Mentha had a telephone call with Bruce Carter in relation to the status of the Company and the potential external administration appointment.
- Between 22 January 2025 and 27 January 2025, Mark Mentha corresponded with Bruce Carter to arrange a meeting in Adelaide with representatives of the State, Bruce Carter and advisers.
- On 28 January 2025, Mark Mentha and Sebastian Hams of KordaMentha and Leon Zwier and Erin Puckridge of Arnold Bloch Leibler ('ABL') attended a meeting in Adelaide with Bruce Carter and the following State representatives and advisers:
 - Paul Martyn (Department of Energy and Mining)
 - Rebecca Knights (Department of Energy and Mining)
 - Nari Chandler (Department of the Premier and Cabinet)
 - Tammie Pribanic (Department of Treasury and Finance)
 - Stewart Howe (Commercial Adviser)
 - Skip Lipman and Patrick Leeson of LK.

The purpose of the meeting was to discuss the potential appointment of external administrators to the Company.

- Between 4 February 2025 and 13 February 2025, Mark Mentha had four brief telephone calls with Bruce Carter for general updates on the matter.
- On 15 February 2025, Mark Mentha received an email from LK on behalf of the State requesting a consent to act as administrator of the Company and seeking to engage in discussions regarding funding of the potential appointment by the State.
- On 16 February 2025, Mark Mentha had two brief discussions with Bruce Carter in relation to the proposed funding arrangements.
- On 17 February 2025, ABL emailed LK on behalf of the proposed KordaMentha administrators in response to the request to engage in discussions regarding the funding.
- Between 17 February 2025 and 18 February 2025, Mark Mentha had four further conversations with Bruce Carter in relation to the proposed funding arrangements.
- On 18 February 2025, a call was held to discuss the proposed funding arrangements in more detail. Attendees were Mark Mentha, Lara Wiggins, Michael Korda, Antony Munro and Trudi Shepard of KordaMentha, Leon Zwier, Genevieve Sexton and Erin Puckridge of ABL and the following representatives of the State:
 - Rebecca Knights (Department of Energy and Mining)
 - Nari Chandler (Department of the Premier and Cabinet)
 - Lucas Weterings (Department of the Premier and Cabinet)
 - Tammie Pribanic (Department of Treasury and Finance)
 - Adam Reid (Department of State Development)
 - Ashley Knights (Assistant Crown Solicitor, Crown Solicitor's Office)
 - Tom Findlay (Solicitor, Crown Solicitor's Office)
 - Timothy Burfield (Solicitor, Crown Solicitor's Office)
 - Skip Lipman and Patrick Leeson of LK.
- On 19 February 2025, Mark Mentha had a brief telephone call with Bruce Carter to discuss the potential appointment and funding.
- On 19 February 2025, Mark Mentha, Lara Wiggins and Michael Korda of KordaMentha, and Leon Zwier of ABL met in LK's offices with Skip Lipman and Patrick Leeson of LK in relation to the proposed appointment. The purpose of the meeting was for the potential administrators to obtain a better understanding of the legal

basis for the proposed appointment by the State and to better satisfy themselves as to the validity and enforceability of the State's security and that secured moneys remained unpaid, prior to signing a Deed of Appointment. Following this meeting, the proposed administrators provided consents to act to LK. ABL also provided LK a working draft Deed of Appointment for discussion purposes.

- On 19 February 2025, Mark Mentha and Leon Zwier attended a meeting at the Premier's office to execute the Deed of Appointment at the same time as the State.

We have not rendered accounts for or received any remuneration in relation to these matters.

Did we meet with the Company, the directors or their advisers before we were appointed?

Declaration of relationships

Within the previous two years, we have considered whether we have or our firm has had a relationship with the following entities:

Entity	Nature of relationship	
The Company	☐ Yes	☒ No
The directors of the Company	☐ Yes	☒ No
Any associates of the Company	☐ Yes	☒ No
A former insolvency practitioner appointed to the Company	☐ Yes	☒ No
A secured creditor entitled to enforce a security over the whole or substantially the whole of the Company's property	☒ Yes	☐ No
Refer to 'other disclosures – advisory role for a group of secured creditors of other entities in the GFG Group' section below.		

We have also considered whether there are any other relationships that are relevant to creditors in assessing our independence and these are listed below:

Entity	Nature of the relationship
Australian Taxation Office ('ATO')	KordaMentha undertakes work from time to time on behalf of the ATO. This includes the appointment of KordaMentha's registered liquidators to companies as a formal appointment where the ATO has asked us to consent to act as liquidators. Reasons why not an impediment or conflict In our opinion, this relationship does not result in a conflict of interest or duty as we have not identified any issue in relation to this relationship that would give rise to a conflict in undertaking the administration of the Company. This relationship has not impeded our independence.
Relationships from more than two years ago – the Company	Approximately nine years ago, four registered liquidators from KordaMentha, including Mark Mentha, were appointed administrators of 94 entities in the Arrium Group ('Arrium Group'). The Company was one of the 94 entities. The administrators were subsequently appointed deed administrators of the Arrium Group on 4 November 2016. Following a sale to GFG Alliance

Entity	Nature of the relationship
	(part of the 'Gupta Group') on 31 August 2017, shares in 12 of the entities (including the Company) were transferred to GFG Alliance, the respective deeds of company arrangement were effectuated and the deed administrators retired. Shares in a further two entities were sold to Peak Iron Mines in July 2019, with those deeds of company arrangement also effectuated and the deed administrators retired. The remaining 80 entities transitioned into liquidation between 14 December 2017 and 11 August 2022, with the deed administrators appointed as liquidators. All the liquidations have been finalised, and the companies deregistered except for 12 of the entities which remain in liquidation pending finalisation of residual tax and litigation matters. These matters are expected to be resolved in the short-term and the liquidations completed. Mark Mentha is one of two liquidators still appointed to the remaining entities. Reasons why not an impediment or conflict The entry into and effectuation of the deed of company arrangement for the Company took place over seven years ago and we have had no involvement with the Company since that time (whether in our role as liquidators of the remaining Arrium Group entities or otherwise). In our opinion, these prior appointments do not result in a conflict of interest or duty as we have not identified any issue in relation to the circumstances that would give rise to a conflict in undertaking the administration of the Company. This matter has not impeded our independence. Further, our depth of prior knowledge and experience with the steelmaking and mining operations of the Company are such that we will be able to conduct the administration in a more efficient manner.
Other disclosures – advisory role for a group of secured creditors of other entities in the GFG Group	We were engaged by a group of secured creditors of the Infrabuild Group in November 2022 to undertake a review of the Infrabuild Group (the secured assets) and the MPS Group (Whyalla Steelworks, Whyalla Mining and Tahmoor Coal assets which were not subject to the collective security). The Infrabuild Group and the MPS Group comprise the GFG Group and, while owned by various separate offshore companies, are ultimately both controlled by entities owed by Sanjeev Gupta (part of the broader 'Gupta Group'). The MPS Group was included in the scope on that basis and also because it was a key supplier to the Infrabuild Group. The engagement was with the following secured creditors: • Greensill Capital (UK) Limited (In Administration) • Greensill Bank AG (In Administration) • Credit Suisse Asset Management for and on behalf of certain supply chain finance funds in its capacity as delegated portfolio manager. The purpose of the engagement was to undertake a general business review, consider profitability and cash flows and identify operational and financial risks. We visited the Whyalla Steelworks to conduct a site review as part of the process.

Entity	Nature of the relationship
	The initial phase was completed in May 2023, with ad hoc work continuing until July 2024. At the date of our appointment, the Personal Property Securities Register records that Greensill Capital (UK) Limited (In Administration) has a registered ALLPAAP security over the Company. We currently have no information as to what this registration relates to. Reasons why not an impediment or conflict At no point were we instructed by the Infrabuild Group, the MPS Group, Sanjeev Gupta or any other entities in the GFG Group nor were our fees paid by any of those parties. Our reporting during the engagement was also not of a nature that it would be subject to review and challenge during a voluntary administration and any subsequent liquidation of the Company. This matter will not influence our ability to fully comply with the statutory and fiduciary obligations associated with the voluntary administration and any subsequent liquidation of the Company in an objective and impartial manner. It is commonplace for administrators to have had previous dealings with secured creditors (and other creditors) in an administration, particularly finance parties. We have not identified any issues in relation to the relationship with Greensill Capital (UK) Limited (In Administration) that would give rise to a conflict in undertaking the external administration of the Company. This relationship does not impact on our independence in carrying out our duties as administrators.
Other disclosures – potential appointment over other entities in the broader Gupta Group	Two of KordaMentha's Partners in Singapore, Cameron Duncan and David Kim, have been requested by advisers to ArcelorMittal to consent to be the Judicial Managers of a Singapore entity in the Gupta Group. The entity is not a shareholder in the Australian assets of the Gupta Group. On 10 February 2025, a hearing took place where further information was requested and the appointment is currently listed to be considered on 24 March 2025. Reasons why not an impediment or conflict The appointment as Judicial Managers has not been affected so there is currently no conflict. This matter will not influence our ability to fully comply with the statutory and fiduciary obligations associated with the voluntary administration and any subsequent liquidation of the Company in an objective and impartial manner. An updated internal conflict check process would be undertaken in relation to this potential role following our appointment as administrators of the Company should the role still be required in the future.

Indemnities and upfront payments

Indemnities

We have been provided with the following indemnity for the conduct of this voluntary administration, in addition to any statutory indemnities to which we may be entitled:

Name	Nature of indemnity
The State (secured creditor of the Company)	The administrators entered into a Funding and Indemnity Deed with the State ('the Deed') dated 19 February 2025. Under the terms of the Deed, the State agrees to indemnify, keep indemnified and hold harmless at all times the administrators from and against: • Any liability incurred by the administrators in the course of or in connection with the voluntary administration • Any shortfall that may arise should the administrators fail to recover in full their remuneration and costs from the assets of the Company • Any claim against the administrators arising directly from or out of their appointment as administrators • Any liability arising from or out of any cancellation or cessation of the administrators' appointment except for any indirect or consequential loss incurred. The administrators are not entitled to an indemnity for any excluded liability, being any liability incurred as a result of fraudulent, wilful, grossly negligent or criminally unlawful acts or omissions (except if the latter arises from any defect in appointment). Any payments (in aggregate) by the State in respect of the indemnity are subject to the agreed funding limit of \$400 million (inclusive of GST). Despite the above funding limit, nothing in the Deed restricts the State's obligations to indemnify the administrators for all and any liabilities arising in connection with any breach of the State's environmental laws which pre-dated the commencement of the Deed. Under the Deed, the administrators agree to provide the State with various forecasts and reporting so that the State remains updated on the costs of the administration (which are being funded under the Deed). This includes fortnightly forecasts and reconciliations against actual costs, and such further information as the State may reasonably require in respect of forecast or actual costs. The administrators must also notify the State if a review date arises (specified based on actual administration costs versus the funding limit) and meet with the State to discuss actual and forecast administration costs and the conduct of the administration broadly. Under the Deed, the administrators further agree to: • Meet and consult with the State in respect of any material changes planned to the operations of the Company • Consider and negotiate in good faith any cost minimisation or mitigation measures raised by the State • Not commit to or incur any significant expenses (over \$5 million) without the State's prior written consent. This excludes operating costs of the Company in the ordinary course of business. • Use reasonable endeavours firstly to operate the Company as a going concern with a view to maximising the use of Company assets and revenue to cover administration costs and secondly to minimise or mitigate forecast and actual administration costs • Seek the State's prior written consent to any appointment of a third party expert adviser to undertake an operational and technical review of the Company's business.

There are no further material conditions on the conduct or outcome of the administration attached to the provision of these funds.

There are no other indemnities to be disclosed.

Upfront payments

We have been provided with the following upfront payments for the conduct of the voluntary administration:

Name	Nature of indemnity
The State (secured creditor of the Company)	Under the terms of the above Deed, the State has paid an amount of \$100 million into the administrators' bank account established in the Company's name in order to fund the initial trading expenses and remuneration associated with the voluntary administration. The money will not be drawn to meet our remuneration until such time that it is approved by creditors or the court. There are no conditions on the conduct or outcome of the administration attached to the provision of these funds.

There are no other upfront payments to be disclosed.

General

The assessment of independence has been made based on an evaluation of the significance of any threats to independence and in accordance with the requirements of the relevant legislation and professional standards.

As required under the Corporations Act 2001 and the ARITA Code of Professional Practice, if circumstances change, or new information is identified, we will update this declaration and provide a copy to creditors with our next communication as well as table a copy of any replacement declaration at the next meeting of the Company's creditors. This declaration, along with any replacement declaration, will be lodged with the Australian Securities and Investments Commission as soon as practical.

**Appendix 2 – Creditor Rights in Voluntary Administrations
Information Sheet**

Creditor Rights in Voluntary Administrations

As a creditor, you have rights to request meetings and information or take certain actions:

Right to request information

Information is communicated to creditors in a voluntary administration through reports and meetings.

In a voluntary administration, two meetings of creditors are automatically held. You should expect to receive reports and notice of these meetings:

- The first meeting is held within 8 business days of the voluntary administrator's appointment. A notice of meeting and other information for this meeting will be issued to all known creditors.
- The second, or decision, meeting is usually held within 6 weeks of the appointment, unless an extension is granted. At this meeting, creditors will get to make a decision about the company's future. Prior to this meeting the voluntary administrator will provide creditors with a notice of the meeting and a detailed report to assist in making your decision.

Important information will be communicated to creditors prior to and during these meetings. Creditors are unable to request additional meetings in a voluntary administration.

Creditors have the right to request information at any time. A voluntary administrator must provide a creditor with the requested information if their request is 'reasonable', the information is relevant to the voluntary administration, and the provision of the information would not cause the voluntary administrator to breach their duties.

A voluntary administrator must provide this information to a creditor within 5 business days of receiving the request, unless a longer period is agreed. If, due to the nature of the information requested, the voluntary administrator requires more time to comply with the request, they can extend the period by notifying the creditor in writing.

Requests must be reasonable.

They are not reasonable if:

- (a) complying with the request would prejudice the interests of one or more creditors or a third party
- (b) the information requested would be privileged from production in legal proceedings
- (c) disclosure would found an action for breach of confidence
- (d) there is not sufficient available property to comply with the request
- (e) the information has already been provided
- (f) the information is required to be provided under law within 20 business days of the request
- (g) the request is vexatious

If a request is not reasonable due to (d), (e) or (f) above, the voluntary administrator must comply if the creditor meets the cost of complying with the request.

Otherwise, a voluntary administrator must inform a creditor if their information request is not reasonable and the reason why.

Specific questions about the voluntary administration should be directed to the voluntary administrator's office.

Right to give directions to voluntary administrator

Creditors, by resolution, may give a voluntary administrator directions in relation to a voluntary administration. A voluntary administrator must have regard to these directions, but they are not required to comply with the directions.

If a voluntary administrator chooses not to comply with a direction given by a resolution of the creditors, they must document their reasons for not complying.

An individual creditor cannot provide a direction to a voluntary administrator.

Right to appoint a reviewing liquidator

Creditors, by resolution, may appoint a reviewing liquidator to review a voluntary administrator's remuneration or a cost or expense incurred in a voluntary administration. The review is limited to:

- remuneration approved within the six months prior to the appointment of the reviewing liquidator, and
- expenses incurred in the 12 months prior to the appointment of the reviewing liquidator.

The cost of the reviewing liquidator is paid from the assets of the voluntary administration, in priority to creditor claims.

An individual creditor can appoint a reviewing liquidator with the voluntary administrator's consent, however the cost of this reviewing liquidator must be met personally by the creditor making the appointment.

Right to replace voluntary administrator

At the first meeting, creditors have the right to remove a voluntary administrator and appoint another registered liquidator to act as voluntary administrator.

A creditor must ensure that they have a consent from another registered liquidator prior to the first meeting if they wish to seek the removal and replacement of a voluntary administrator.

Creditors also have the opportunity to replace a voluntary administrator at the second meeting of creditors:

- If creditors vote to accept a proposed deed of company arrangement, they can appoint a different registered liquidator as the deed administrator.
- If creditors vote to place the company into liquidation, they can appoint a different registered liquidator as the liquidator.

It is however usual for the voluntary administrator to act as deed administrator or liquidator. It would be expected that additional costs would be incurred by an alternate deed administrator or liquidator to gain the level of knowledge of the voluntary administrator.

Like with the first meeting, a creditor must ensure that they have a consent from another registered liquidator prior to the second meeting if they wish to seek to appoint an alternative registered liquidator as deed administrator or liquidator.

Appendix 6 – Committees of Inspection Information Sheet

Information Sheet: Committees of Inspection

You have been elected to be, or are considering standing for the role of, a member of a Committee of Inspection (COI) in either a liquidation, voluntary administration or deed of company arrangement of a company (collectively referred to as an external administration).

This information sheet is to assist you with understanding your rights and responsibilities as a member of a COI.

What is a COI?

A COI is a small group of creditors elected to represent the interests of creditors in the external administration. The COI advises and assists the external administrator and also has the power to approve and request certain things – this is discussed in more detail below.

Membership of the COI is a voluntary, unpaid position.

Who can be elected to a COI?

To be eligible to be appointed as a member of a COI, a person must be:

- A creditor
- A person holding the power of attorney of a creditor
- A person authorised in writing by a creditor; or
- A representative of the Commonwealth where a claim for financial assistance has, or is likely to be, made in relation to unpaid employee entitlements.

If a member of the COI is a company, it can be represented by an individual authorised in writing to act on that creditor's behalf. It also allows the creditor to maintain its representation if a change in the individual is required

A COI usually has between 5 and 7 members, though it can have more, or less, depending on the size of the external administration.

A member of a COI can be appointed by:

- resolution at a meeting of creditors
- an employee or a group of employees owed at least 50% of the entitlements owed to employees of the company
- a large creditor or group of creditors that are owed at least 10% of the value of the creditors' claims,

If an employee or group of employees, or a large creditor or group of creditors, appoints a member to the COI, they cannot vote on the general resolution of creditors to appoint members to the COI. Each of these groups also have the power to remove their appointed member of the COI and appoint someone else.

Specific queries should be directed to the external administrator's office.

If you are absent from 5 consecutive meetings of the COI without leave of the COI or you become an insolvent under administration, you are removed from the COI.

What are the roles and powers of a COI?

A COI has the following roles:

- to advise and assist the liquidator, voluntary administrator or deed administrator (collectively referred to as the external administrator)
- to give directions to the external administrator
- to monitor the conduct of the external administration.

In respect of directions, the external administrator is only required to have regard to those directions. If there is a conflict between the directions of the COI and the creditors, the directions of the creditors prevail. If the external administrator chooses not to comply with the directions of the COI, the external administrator must document why.

A COI also has the power to:

- approve remuneration of the external administrator after the external administrator has provided the COI with a Remuneration Approval Report (a detailed report setting out the remuneration for undertaking the external administration)
- approve the use of some of the external administrator's powers in a liquidation (compromise of debts over \$100,000 and entering into contracts over 3 months)
- require the external administrator to convene a meeting of the company's creditors
- request information from the external administrator
- approve the destruction of the books and records of the external administration on the conclusion of the external administration
- with the approval of the external administrator, obtain specialist advice or assistance in relation to the conduct of the external administration
- apply to the Court for the Court to enquire into the external administration.

An external administrator is not required to convene a meeting of creditors if the request by the COI is unreasonable, or provide requested information if the request is unreasonable, not relevant to the administration or would cause the external administrator to breach their duties.

A request to convene a meeting of creditors is unreasonable if:

- it would substantially prejudice the interests of a creditor or third party
- there are insufficient funds in the external administration to cover the cost of the request
- a meeting of creditors dealing with the same matters has already been held or will be held within 15 business days, or
- the request is vexatious.

If a request for a meeting is reasonable, the external administrator must hold a meeting of creditors as soon as reasonably practicable.

A request for information is unreasonable if:

- it would substantially prejudice the interests of a creditor or third party
- the information would be subject to legal professional privilege
- disclosure of the information would be a breach of confidence
- there are insufficient funds in the external administration to cover the cost of the request
- the information has been provided or is required to be provided within 20 business days, or
- the request is vexatious.

If the request for information is not unreasonable, the external administrator must provide the requested information within 5 business days, but the law provides for further time in certain circumstances.

An external administrator must inform the COI if their meeting or information request is not reasonable and the reason why.

How does the COI exercise its powers?

A COI exercises its powers by passing resolutions at meetings of the COI. To pass a resolution, a meeting must be convened and a majority of the members of the COI must be in attendance.

A meeting is convened by the external administrator by giving notice of the meeting to the members of the COI. Meetings of the COI can be convened at short notice. The external administrator must keep minutes of the meeting and lodge them with ASIC within one month of the end of the meeting.

ASIC is entitled to attend any meeting of a COI.

What restrictions are there on COI members?

A member of a COI must not directly or indirectly derive any profit or advantage from the external administration. This includes by purchasing assets of the company or by entering into a transaction with the company or a creditor of the company. This prohibition extends to related entities of the member of the COI and a large creditor(s) that appoints a member to the COI.

Creditors, by resolution at a meeting of creditors, can resolve to allow the transaction. The member of the COI or the large creditor(s) that appoints a member to the COI is not allowed to vote on the resolution.

Where can you get more information?

The Australian Restructuring Insolvency and Turnaround Association (ARITA) provides information to assist creditors with understanding external administrations and insolvency. This information is available from ARITA's website at www.arita.com.au/creditors.

ASIC provides information sheets on a range of insolvency topics. These information sheets can be accessed on ASIC's website at www.asic.gov.au (search "insolvency information sheets").

Appendix 7 – Initial Remuneration Notice

Corporations Act 2001

Initial remuneration notice

OneSteel Manufacturing Pty Limited (Administrators Appointed) ACN 004 651 325 ('the Company') Trading as OneSteel Whyalla Steelworks and SIMEC Mining

The purpose of the Initial Remuneration Notice is to provide you with information about how our remuneration for undertaking the voluntary administration will be set and how disbursements may be calculated and incurred.

Remuneration methods

There are four basic methods that may be used to calculate the remuneration of an external administrator. They are:

1. Time based or hourly rates – This is the most common method. The total fee charged is based on the hourly rate charged for each staff member based on their level of experience and multiplied by the number of hours spent by each staff member on each of the tasks performed.
2. Fixed fee – The total fee charged is normally agreed to, and quoted, at the commencement of the administration and is based on the anticipated work through the term of the administration. At times, an insolvency practitioner will finalise an administration for a fixed fee.
3. Percentage – The total fee is based on a percentage rate of a particular variable, such as the gross proceeds of all assets recovered in an administration.
4. Contingency – The fee is structured to be contingent on a particular outcome being achieved.

Remuneration method chosen

Given the nature of this administration, remuneration will be calculated on the basis of an hourly rate charged for each person who carried out the work at the direction of the voluntary administrators multiplied by the number of hours spent by each person on each of the tasks performed as it fairly reflects the necessary work performed and overcomes the difficulty in identifying the scope of the work required, particularly on longer term engagements. It also ensures that creditors are only charged for work that is performed. This method is also chosen as there are a number of tasks that are required to be performed but do not relate to the realisation of assets, for example responding to creditor enquiries, reporting to the Australian Securities and Investments Commission and distributing funds to creditors.

Explanation of the KordaMentha rates

The current rates for our remuneration calculation are set out in the attached appendix together with a general guide showing the qualifications and experience of staff engaged in the administration and the role they take in the administration. These rates are multiplied by the time spent by the applicable staff member in completing tasks relating to the administration as recorded in our time reporting system. The basis of our time reporting system is one of six minute time increments. This allows us to produce a detailed analysis of time spent on each type of task by each individual staff member utilised in the administration. This method provides full accountability to creditors in the method of calculation.

The KordaMentha rates are subject to review and adjustment at 1 July each year to reflect changes in the cost base of the firm and changes in market conditions and rates for comparable insolvency firms. The hourly rates charged encompass the total cost of providing professional services and should not be compared to an hourly wage.

Estimate of total remuneration

Based on the limited information we have at this early stage of the administration, we estimate that this administration will cost approximately \$10 million (excluding GST), funds permitting. The total cost of the administration will vary depending on the complexity and demands of the administration and the work required to

be performed by the voluntary administrators and our staff in respect of issues arising from the administration. Any delays in the administration could also cause the estimate to vary. These variables may have a significant effect on this estimate, however we are unable to determine at this early stage of the administration what the effect may be.

We did not provide an estimate of the cost of the administration to any party prior to our appointment.

We entered into a Funding and Indemnity Deed with the State of South Australia ('the State') dated 19 February 2025 ('the Deed'). Under the terms of the Deed, we received:

- An upfront payment of \$100 million to contribute to the estimated cost of the administration which was paid into the administrators' bank account shortly following the appointment.
- An indemnity for any liability incurred by the administrators in the course of or in connection with the voluntary administration, any shortfall that may arise should the administrators fail to recover in full their remuneration and costs from the assets of the Company, any claim against the administrators arising directly from or out of their appointment as administrators and any liability arising from or out of any cancellation or cessation of the administrators' appointment except for any indirect or consequential loss incurred. The indemnity is subject to specific exclusions and any payments (in aggregate) by the State in respect of the indemnity are subject to the funding limit of \$400 million (inclusive of GST).

The upfront payment and indemnity were disclosed in the Declaration of Independence, Relevant Relationships and Indemnities which contains further information regarding the nature of the indemnity.

The money provided to meet our remuneration will not be drawn until such time that it is approved by creditors or the court. Remuneration can also be paid from the assets of the administration after approval by creditors or the court.

Please note that if the total remuneration claimed is less than the statutory minimum pursuant to Section 60-15 of Schedule 2 (Insolvency Practice Schedule) of the Corporations Act 2001 (Cth) ('the IPS'), being \$6,349 (exclusive of GST), creditor approval will not be required pursuant to Subsection 60-5(2) of the IPS.

Disbursements

Disbursements are divided into three types:

- Externally provided professional services – these are recovered at cost. An example of an externally provided professional service disbursement is legal fees.
- Externally provided non-professional costs – these are recovered at cost. Examples of externally provided professional service disbursements are travel, accommodation, search fees and lodgement fees.
- Internal disbursements – these are recovered on a reasonable commercial basis. These disbursements are generally charged at cost, though some may be charged at a rate which recoups both variable and fixed costs. Examples of internal disbursements include printing and postage costs, travel allowance and data room hosting.

We are not required to seek creditor approval for disbursements paid to third parties but must account to creditors. However, we must be satisfied that these disbursements are appropriate, justified and reasonable.

We are required to obtain creditor's consent for the payment of internal disbursements. Creditors will be asked to approve our internal disbursements prior to these disbursements being paid from the administration.

Details of the basis of recovering disbursements are included with the enclosed schedule titled KordaMentha Rates – National RST – FY2025.

KordaMentha disbursement policy

Disbursements incurred from third party suppliers are charged at the cost invoiced except for ASIC charges when only an estimated amount is known or the future storage and destruction of books and records, which is charged at the actual rate at the time of the resolution. KordaMentha does not add any margin to disbursements incurred through third parties. There are no charges for internal KordaMentha disbursements, such as internal photocopy use, telephone calls or facsimiles, except for bulk printing and postage that is performed internally, which are calculated on a variable cost recovery basis.

In relation to any employee allowances, being kilometre allowance and reasonable travel allowance, the rate of the allowance set by KordaMentha is at or below the rate set by the Australian Taxation Office.

If a KordaMentha data room is utilised, the fee will be based on the duration and size of the data room. Certain services provided by Forensic Technology may require the processing of electronically stored information into specialist review platforms. Where these specific Forensic Technology resources are utilised, the fee will be based on units (e.g. number of laptops), size (e.g. per gigabyte) and/or period of time (e.g. period of hosting).

GST is applied to disbursements as required by law.

24 February 2025

Dear Sir/Madam

OneSteel Manufacturing Pty Limited (Administrators Appointed)
ACN 004 651 325 ('the Company')
Trading as OneSteel Whyalla Steelworks and SIMEC Mining

INITIAL INFORMATION FOR EMPLOYEES

According to the Company's records, you may be a creditor of the Company.

The purpose of this document is to provide you with information about the voluntary administration of the Company and your rights as a creditor.

Notification of Appointment

Sebastian Hams, Michael Korda, Lara Wiggins and Mark Mentha were appointed Administrators of the Company on Wednesday, 19 February 2025 pursuant to Section 436C of the Corporations Act ('the Act').

The Company is the owner of the Whyalla Steelworks and Middleback Ranges mining operations in South Australia.

The Administrators intend to continue to operate the Company during the administration process to maximise the chances of the business continuing in the interests of all stakeholders. The initial focus will be examining the financial position of the Company and stabilising the business while we develop a plan for its future.

The appointment of Administrators was initiated by the State of South Australia ('the State') following the passing of legislation aimed at ensuring the ongoing viability of the Company's operations.

Ongoing trading

It is our intention to continue to operate the Company on a business as usual basis. You will continue to remain employed by the Company to perform your customary duties and responsibilities in accordance with the terms and conditions of your employment contract, as well as other duties and responsibilities which you may be required to perform by either myself or my fellow Administrators (or our representatives) from time to time. Accordingly, salary and wage payments will continue to be made in the ordinary course of business.

If you wish to take leave during the administration, it must be taken from entitlements accrued during the period of the administration. Please note we are not personally liable in relation to your employment prior to our appointment as Administrators.

We expressly advise that we have not adopted your contract of employment with the Company in existence as at the date of appointment unless we have formally notified you in writing that we have adopted the contract or a specific liability. Actions in the ordinary course of business, such as payment of wages or salary, promotions, performance reviews, wage or salary reviews are not an adoption of a contract or liability.

We are currently assessing the financial position of the Company and are reviewing various options to ensure the long-term viability of the Whyalla Steelworks and mining operations.

As a consequence of the appointment, as Administrators we will take full responsibility for the management operations of the Company and the control of its assets.

Without the express authority of the Administrators (or our representatives), you must not, nor must you permit anyone else to:

1. Place any orders for goods or services
2. Accept delivery of any goods or services, unless they are the subject of a duly authorised order
3. Supply any services to customers or dispatch any goods to customers
4. Enter into any commitments with suppliers or customers
5. Make any compromise or arrangement with any debtor or creditor of the Company, including the allowance of any set-offs
6. Incur any debts or liabilities in the name of the Company or pledge its assets
7. Return any goods to suppliers
8. Make any payments
9. Remove any assets from the Company's custody or control.

Every invoice, order for goods, business letter, or other external document must have the words '(Administrators Appointed)' immediately following the name of the Company.

All assets of the Company must be secured against theft.

All known breaches of the law or regulations (e.g. health, safety, hygiene, fire, etc.) are to be notified to us in writing immediately.

If there are any assets that you claim are owned by you, such as tools, vehicles etc, please notify us prior to removing them from the Company's premises or to arrange collection.

Prior involvement/independence

Our Declaration of Independence, Relevant Relationships and Indemnities ('DIRRI') is enclosed as Appendix 1. The DIRRI assists you to understand the status of our independence and who appointed us as Administrators.

Explanation of a voluntary administration

A voluntary administration is a process usually initiated by the directors of a company when they believe that the company is, or is likely to become, insolvent. It may also be initiated by a secured creditor of the Company with an interest in the whole or substantially the whole of the Company's property that is

entitled to enforce its security interest. The appointment of Administrators to the Company was initiated by a secured creditor (being the State) in this instance as referenced above.

A voluntary administration gives a company an opportunity to consider its financial position and its future. Creditors will be given an opportunity to attend meetings and vote on the future of the Company.

As Administrators, we act for all creditors. We will now attend to our responsibilities, including:

- Stabilising operations and trading the business
- Controlling the assets of the Company
- Preparing for and holding meetings of creditors
- Investigating the affairs of the Company
- Analysing any offer for a deed of company arrangement that is received
- Reporting and providing opinions about the Company to creditors
- Holding meetings of creditors to make decisions on the future of the Company.

What are your rights as a creditor?

Information regarding your rights as a creditor is provided in the information sheet enclosed at Appendix 2, being 'Creditors Rights in Voluntary Administration' issued by the Australian Restructuring Insolvency and Turnaround Association ('ARITA'). This includes your right to:

- Make reasonable requests for information
- Give directions to us
- Appoint a reviewing liquidator
- Replace us as voluntary administrators.

What happens to your debt?

All creditors of the Company, including employees, are now creditors in the voluntary administration.

It is important to note that a voluntary administration creates restrictions on creditors being able to enforce their rights. You generally cannot enforce your claim, recover your property, enforce your security, commence an action to place the Company into liquidation or act on a personal guarantee.

Unpaid entitlements

The Administrators are currently reviewing the books and records of the Company to determine an estimate of the amount of employee entitlements that are owing to you as at the date of our appointment.

Employees of the Company, other than directors or their related persons, have a statutory priority of payment in respect of outstanding entitlements such as wages, superannuation, annual leave, long service leave, payment in lieu of notice and redundancy. In any event you may be entitled to lodge a claim with the Commonwealth Government Fair Entitlement Guarantee Scheme ('FEG') if the Company is placed in liquidation.

Fair Entitlement Guarantee

If the Company is placed into liquidation at the second meeting of creditors and there are insufficient assets to satisfy outstanding employee entitlements, you may be entitled to a payment under FEG.

FEG is a legislative safety net scheme operated by the Commonwealth Government for employees of insolvent entities that have been placed in liquidation. Under the scheme, you may be able to claim for amounts owing for wages, annual leave, long service leave, payment in lieu of notice and redundancy. Please note that FEG does not cover unpaid employer superannuation contributions and has certain eligibility criteria.

General information can be found at [Fair Entitlements Guarantee \(FEG\)](https://www.dewr.gov.au/fair-entitlements-guarantee) at <https://www.dewr.gov.au/fair-entitlements-guarantee>.

The liquidators (if appointed) will advise you in due course if it is appropriate for you to make a claim under the scheme. A claim under the FEG scheme must be made within 12 months of the termination of your employment or the date of the insolvency event (whichever is the latter).

Do you have to do anything?

You should now:

- Read this information
- Decide whether you are going to attend the first meeting (in person or virtually) or appoint a proxy to attend on your behalf
- Submit your meeting registration, and if applicable, Proxy Form by 2.00pm (ACDT) Friday, 28 February 2025. This is discussed further below.

If you do not think you are a creditor, please let us know.

Meeting of creditors

The First Meeting of Creditors pursuant to Section 436E of the Act will be held on **Monday, 3 March 2025 at 2:00 pm (ACDT)** at Whyalla, South Australia at the below location. The meeting will also be held virtually. A Notice of First Meeting of Creditors of Company under Administration is attached at Appendix 3 and pertinent details tabled below:

Location	Physical and virtual meeting. Physical address: Westland Convention Room, Westland Hotel Motel, 100 McDouall Stuart Avenue, Whyalla Norrie SA 5608 Virtual to be held online via Zoom
Date	Monday, 3 March 2025
Time	2:00 pm (ACDT), registration to open at 1:15 pm (ACDT)
Due date and time for registration of attendance and Proxy Form	2:00 pm (ACDT) on Friday 28 February 2025 (being the last business day prior to the meeting)

The purpose of this meeting is to determine:

- whether to appoint a Committee of Inspection
- if so, who are to be the Committee's members.

At this meeting, creditors may also resolve to remove us as Administrators and appoint someone else.

To attend and participate in the meeting, you will need to action the following **by 2:00 pm (ACDT) on the last business day prior to the meeting, being Friday 28 February 2025:**

- **Register your attendance:** All creditors (including employees) who wish to vote and attend the first meeting of creditors (whether attending in person or virtually) must register their attendance via the following link: https://kordamentha.zoom.us/webinar/register/WN_Is2lVtzxRpi8guYYGT00og

- Please complete with the first name, last name and email of the person attending the meeting. This should match to the Proxy Form submitted (if applicable).
 - Please include the creditor name (this will be the employee's name)
 - Please confirm whether you will be attending the meeting in person or virtually.
- The Administrators will then issue you with a unique meeting invitation link via email (the link is not to be forwarded to other creditors as it is unique to each creditor). Please note, if you have indicated you or your proxy will be attending in person (physically in Whyalla), you will still be issued a unique meeting invitation link, which is to be used in the voting on resolutions during the meeting. Please bring your phone or other electronic device and have your unique meeting invitation link ready for voting purposes on the day. An 'in person' voting option will also be available should there be any issues with voting electronically.
- **Submit a Proxy Form:** Creditors who are individuals, such as employees, and wish to vote at a meeting, only need to complete and return a Proxy Form if they are voting by proxy or having a person represent them at the meeting, whether virtually or in person.
 - Proxy Forms must be completed and returned by email to onesteelcreditors@kordamentha.com or post to KordaMentha, GPO Box 2985, Melbourne VIC 3001 (please be mindful of postal delays). A Proxy Form is enclosed at Appendix 4.

Please note the Administrators will be attempting to calculate employee entitlements prior to the first meeting of creditors. We intend to admit employees for the purpose of voting for the amount owing to the employee in accordance with the Company's books and records – therefore you do not need to submit a Proof of Debt Form unless you wish to do so. A further assessment of your entitlements will be made during the administration of the Company, which will be sent to you.

Please note, if you are planning to attend the meeting in person in Whyalla, you should arrive at least 30 minutes prior to the commencement of the meeting to allow time for registration (registration will open 45 minutes prior as outlined above).

Further information (including Frequently Asked Questions) to assist employees with respect to the first meeting of creditors, and general matters relating to the administration can be found at <https://kordamentha.com/creditors/onesteel-manufacturing-pty-limited>.

Proxies and proofs of debt

With respect to participating in the meeting, please note the following further information:

- Proofs of Debt - You do not need to submit a Proof of Debt Form as the Administrators are in the process of reviewing and calculating your employee entitlements and will admit employees for the purposes of voting for the amount owing to them in accordance with the Company's books and records. However, you may submit a Proof of Debt Form if you wish.
- Proxy Form - This will only be necessary to complete and return if you are unable to attend the meeting physically (in person in Whyalla) or virtually and would like to appoint someone to vote on your behalf.

Employees wishing to vote at the meeting, who will not be attending in person, must complete and return the Proxy Form.

You can appoint the chairperson of the meeting or another person as your proxy, such as your nominated union representative, and direct the chairperson or that person how you wish your vote to be cast. If you choose to do this, the chairperson or that person must cast your vote as directed.

If you are a member of a union and wish to be represented at the meeting by your union's representative, or you do not wish to attend the meeting, please reach out to your union for the relevant proxy details. Your relevant union should also be in contact with you prior to the first meeting of

creditors with further information regarding how you can nominate the union representative as your proxy.

Further information is included in the Frequently Asked Questions on the KordaMentha website to assist employees with respect to the first meeting of creditors and proxies at <https://kordamentha.com/creditors/onesteel-manufacturing-pty-limited>.

Employees should note that Proof of Debt Forms lodged for this meeting are for voting purposes only but may be used for voting on resolutions by proposals without a meeting and distribution purposes, including in a subsequent external administration of the Company.

Proxy Forms and (Proof of Debt Forms, should you wish to submit) must be received no later than 2.00pm (ACDT) on the last business day prior to the meeting, being Friday, 28 February 2025, failing which creditors or their proxies may be excluded from voting at the meeting.

- Proxy Forms should be emailed to onesteelcreditors@kordamentha.com or post to KordaMentha, GPO Box 2985, Melbourne VIC 3001 (please be mindful of postal delays).
- Proof of Debt claims may be lodged via email to onesteelcreditors@kordamentha.com or post to KordaMentha, GPO Box 2985, Melbourne VIC 3001 (please be mindful of postal delays). A Proof of Debt form is enclosed at Appendix 5.

General information regarding the conduct of meetings of creditors and the completion of proxy forms and proof of debt forms can be found on our website www.kordamentha.com in the [Creditors section](#).

Section 110D of the Act permits electronic notification to creditors of notices and documents. If you do not have access to the internet, you can request that a copy of the report be mailed to you.

Second meeting of creditors

We will hold a second meeting of creditors in due course. The purpose of that meeting is for creditors to consider our report and vote on the future of the Company. Before that meeting, you will be sent the notice of meeting and a detailed report which includes the options for the Company's future. We will also give our opinion as to what option we think is in the best interests of creditors.

Committee of Inspection

At the first meeting of creditors, creditors will consider whether a Committee of Inspection should be appointed. The role of a Committee of Inspection is to consult with the Administrators and receive reports on the conduct of the administration. A Committee of Inspection can also approve the Administrators' fees.

It is our opinion that a Committee of Inspection would be useful to assist with the conduct of the administration. An information sheet on the role of a Committee of Inspection is enclosed at Appendix 6. You should consider whether you would like to act as a member of the Committee of Inspection.

Administrators' remuneration and disbursements

Our remuneration is paid from the Company's funds, including realisations from assets or from money paid to us by others, such as the State. If there is not enough money in the administration, we may not get paid for all the time we spend on the administration. If there is no money in the administration, we will not get paid at all. However, we will still attend to our statutory duties.

Approval of our remuneration for the work that we do in completing the administration and internal disbursements may be sought from the creditors or, in respect of remuneration only, a Committee of Inspection, if one is appointed. If we do seek approval, detailed information will be provided before

requesting approval so that the approving parties can understand what tasks we have undertaken and the costs of those tasks. It will also explain what the internal disbursements were for and how they were calculated. Approval may be sought at a meeting of creditors or by resolution by proposal without a meeting (i.e. all the information is sent to you and you send back your response).

Enclosed at Appendix 7 is our Initial Remuneration Notice. This document provides you with information about how we propose to be remunerated for undertaking the administration and how disbursements may be calculated and incurred.

**Appendix 1 – Declaration of Independence, Relevant Relationships
and Indemnities**

Corporations Act 2001

Declaration of independence, relevant relationships and indemnities

OneSteel Manufacturing Pty Ltd (Administrators Appointed) ACN 004 651 325 ('the Company')

The purpose of this document is to assist creditors with understanding any relevant relationships that we, the administrators, have with parties who are closely connected to the Company and any indemnities or upfront payments that have been provided to us. None of the relationships disclosed in this document are such that our independence is affected.

This information is provided so you have trust and confidence in our independence and, if not, you can ask for further explanation or information and can act to remove and replace us if you wish.

This declaration is made in respect of us, Mark Mentha, Sebastian Hams, Lara Wiggins and Michael Korda, our partners and the KordaMentha Group, including the entities disclosed on the Creditors page on the KordaMentha website: [DIRRI - listing of associated KordaMentha entities](#).

We are Professional Members of the Australian Restructuring Insolvency and Turnaround Association ('ARITA'). We acknowledge that we are bound by the ARITA Code of Professional Practice.

Independence

We have assessed our independence and we are not aware of any reasons that would prevent us from accepting this appointment.

There are no other known relevant relationships, including personal, business and professional relationships that should be disclosed beyond those we have disclosed in this document.

Circumstances of appointment

How we were referred this appointment

This appointment was referred to us by LK Law Pty Ltd ('LK') as lawyers for the State of South Australia ('the State').

We believe that the above referral does not result in a conflict of interest or duty because:

- LK has not previously referred any insolvency type matters to us or our firm.
- KordaMentha previously provided consulting services to the Central Adelaide Local Health Network ('CALHN'), a Local Health Network under SA Health that reported to the State's Minister for Health and Wellbeing. This was not a formal insolvency matter and our work ceased over four years ago.
- The State has not previously referred any other insolvency type matters to us or our firm.
- We have not identified any issues in relation to the relationships with LK or the State that would give rise to a conflict in undertaking the external administration of the Company. These relationships have not impeded our independence.
- Referrals from lawyers, accountants, business advisors and government agencies are commonplace and do not impact on our independence in carrying out our duties as administrators.

There is no expectation, agreement or understanding between us and LK or the State regarding the conduct of the voluntary administration and we are free to act independently and in accordance with the law and applicable professional standards. However, we have entered into a funding arrangement with the State as outlined in this document.

Below is a summary of our interactions with LK, the State and other relevant parties prior to the appointment:

- On 23 December 2024, Mark Mentha received a telephone call from Bruce Carter in his capacity as Chair of the Steel Task Force (established by the State in 2015), to discuss the status of the Whyalla Steelworks and the possibility of the Company entering into external administration in the future.
- On 20 January 2025, Mark Mentha had a telephone call with Bruce Carter in relation to the status of the Company and the potential external administration appointment.
- Between 22 January 2025 and 27 January 2025, Mark Mentha corresponded with Bruce Carter to arrange a meeting in Adelaide with representatives of the State, Bruce Carter and advisers.
- On 28 January 2025, Mark Mentha and Sebastian Hams of KordaMentha and Leon Zwier and Erin Puckridge of Arnold Bloch Leibler ('ABL') attended a meeting in Adelaide with Bruce Carter and the following State representatives and advisers:
 - Paul Martyn (Department of Energy and Mining)
 - Rebecca Knights (Department of Energy and Mining)
 - Nari Chandler (Department of the Premier and Cabinet)
 - Tammie Pribanic (Department of Treasury and Finance)
 - Stewart Howe (Commercial Adviser)
 - Skip Lipman and Patrick Leeson of LK.

The purpose of the meeting was to discuss the potential appointment of external administrators to the Company.

- Between 4 February 2025 and 13 February 2025, Mark Mentha had four brief telephone calls with Bruce Carter for general updates on the matter.
- On 15 February 2025, Mark Mentha received an email from LK on behalf of the State requesting a consent to act as administrator of the Company and seeking to engage in discussions regarding funding of the potential appointment by the State.
- On 16 February 2025, Mark Mentha had two brief discussions with Bruce Carter in relation to the proposed funding arrangements.
- On 17 February 2025, ABL emailed LK on behalf of the proposed KordaMentha administrators in response to the request to engage in discussions regarding the funding.
- Between 17 February 2025 and 18 February 2025, Mark Mentha had four further conversations with Bruce Carter in relation to the proposed funding arrangements.
- On 18 February 2025, a call was held to discuss the proposed funding arrangements in more detail. Attendees were Mark Mentha, Lara Wiggins, Michael Korda, Antony Munro and Trudi Shepard of KordaMentha, Leon Zwier, Genevieve Sexton and Erin Puckridge of ABL and the following representatives of the State:
 - Rebecca Knights (Department of Energy and Mining)
 - Nari Chandler (Department of the Premier and Cabinet)
 - Lucas Weterings (Department of the Premier and Cabinet)
 - Tammie Pribanic (Department of Treasury and Finance)
 - Adam Reid (Department of State Development)
 - Ashley Knights (Assistant Crown Solicitor, Crown Solicitor's Office)
 - Tom Findlay (Solicitor, Crown Solicitor's Office)
 - Timothy Burfield (Solicitor, Crown Solicitor's Office)
 - Skip Lipman and Patrick Leeson of LK.
- On 19 February 2025, Mark Mentha had a brief telephone call with Bruce Carter to discuss the potential appointment and funding.
- On 19 February 2025, Mark Mentha, Lara Wiggins and Michael Korda of KordaMentha, and Leon Zwier of ABL met in LK's offices with Skip Lipman and Patrick Leeson of LK in relation to the proposed appointment. The purpose of the meeting was for the potential administrators to obtain a better understanding of the legal

basis for the proposed appointment by the State and to better satisfy themselves as to the validity and enforceability of the State's security and that secured moneys remained unpaid, prior to signing a Deed of Appointment. Following this meeting, the proposed administrators provided consents to act to LK. ABL also provided LK a working draft Deed of Appointment for discussion purposes.

- On 19 February 2025, Mark Mentha and Leon Zwier attended a meeting at the Premier's office to execute the Deed of Appointment at the same time as the State.

We have not rendered accounts for or received any remuneration in relation to these matters.

Did we meet with the Company, the directors or their advisers before we were appointed?

☐ Yes ☒ No

Declaration of relationships

Within the previous two years, we have considered whether we have or our firm has had a relationship with the following entities:

Entity	Nature of relationship	
The Company	☐ Yes	☒ No
The directors of the Company	☐ Yes	☒ No
Any associates of the Company	☐ Yes	☒ No
A former insolvency practitioner appointed to the Company	☐ Yes	☒ No
A secured creditor entitled to enforce a security over the whole or substantially the whole of the Company's property	☒ Yes	☐ No
Refer to 'other disclosures – advisory role for a group of secured creditors of other entities in the GFG Group' section below.		

We have also considered whether there are any other relationships that are relevant to creditors in assessing our independence and these are listed below:

Entity	Nature of the relationship
Australian Taxation Office ('ATO')	KordaMentha undertakes work from time to time on behalf of the ATO. This includes the appointment of KordaMentha's registered liquidators to companies as a formal appointment where the ATO has asked us to consent to act as liquidators. Reasons why not an impediment or conflict In our opinion, this relationship does not result in a conflict of interest or duty as we have not identified any issue in relation to this relationship that would give rise to a conflict in undertaking the administration of the Company. This relationship has not impeded our independence.
Relationships from more than two years ago – the Company	Approximately nine years ago, four registered liquidators from KordaMentha, including Mark Mentha, were appointed administrators of 94 entities in the Arrium Group ('Arrium Group'). The Company was one of the 94 entities. The administrators were subsequently appointed deed administrators of the Arrium Group on 4 November 2016. Following a sale to GFG Alliance

Entity	Nature of the relationship
	(part of the 'Gupta Group') on 31 August 2017, shares in 12 of the entities (including the Company) were transferred to GFG Alliance, the respective deeds of company arrangement were effectuated and the deed administrators retired. Shares in a further two entities were sold to Peak Iron Mines in July 2019, with those deeds of company arrangement also effectuated and the deed administrators retired. The remaining 80 entities transitioned into liquidation between 14 December 2017 and 11 August 2022, with the deed administrators appointed as liquidators. All the liquidations have been finalised, and the companies deregistered except for 12 of the entities which remain in liquidation pending finalisation of residual tax and litigation matters. These matters are expected to be resolved in the short-term and the liquidations completed. Mark Mentha is one of two liquidators still appointed to the remaining entities. Reasons why not an impediment or conflict The entry into and effectuation of the deed of company arrangement for the Company took place over seven years ago and we have had no involvement with the Company since that time (whether in our role as liquidators of the remaining Arrium Group entities or otherwise). In our opinion, these prior appointments do not result in a conflict of interest or duty as we have not identified any issue in relation to the circumstances that would give rise to a conflict in undertaking the administration of the Company. This matter has not impeded our independence. Further, our depth of prior knowledge and experience with the steelmaking and mining operations of the Company are such that we will be able to conduct the administration in a more efficient manner.
Other disclosures – advisory role for a group of secured creditors of other entities in the GFG Group	We were engaged by a group of secured creditors of the Infrabuild Group in November 2022 to undertake a review of the Infrabuild Group (the secured assets) and the MPS Group (Whyalla Steelworks, Whyalla Mining and Tahmoor Coal assets which were not subject to the collective security). The Infrabuild Group and the MPS Group comprise the GFG Group and, while owned by various separate offshore companies, are ultimately both controlled by entities owed by Sanjeev Gupta (part of the broader 'Gupta Group'). The MPS Group was included in the scope on that basis and also because it was a key supplier to the Infrabuild Group. The engagement was with the following secured creditors: • Greensill Capital (UK) Limited (In Administration) • Greensill Bank AG (In Administration) • Credit Suisse Asset Management for and on behalf of certain supply chain finance funds in its capacity as delegated portfolio manager. The purpose of the engagement was to undertake a general business review, consider profitability and cash flows and identify operational and financial risks. We visited the Whyalla Steelworks to conduct a site review as part of the process.

Entity	Nature of the relationship
	The initial phase was completed in May 2023, with ad hoc work continuing until July 2024. At the date of our appointment, the Personal Property Securities Register records that Greensill Capital (UK) Limited (In Administration) has a registered ALLPAAP security over the Company. We currently have no information as to what this registration relates to. Reasons why not an impediment or conflict At no point were we instructed by the Infrabuild Group, the MPS Group, Sanjeev Gupta or any other entities in the GFG Group nor were our fees paid by any of those parties. Our reporting during the engagement was also not of a nature that it would be subject to review and challenge during a voluntary administration and any subsequent liquidation of the Company. This matter will not influence our ability to fully comply with the statutory and fiduciary obligations associated with the voluntary administration and any subsequent liquidation of the Company in an objective and impartial manner. It is commonplace for administrators to have had previous dealings with secured creditors (and other creditors) in an administration, particularly finance parties. We have not identified any issues in relation to the relationship with Greensill Capital (UK) Limited (In Administration) that would give rise to a conflict in undertaking the external administration of the Company. This relationship does not impact on our independence in carrying out our duties as administrators.
Other disclosures – potential appointment over other entities in the broader Gupta Group	Two of KordaMentha’s Partners in Singapore, Cameron Duncan and David Kim, have been requested by advisers to ArcelorMittal to consent to be the Judicial Managers of a Singapore entity in the Gupta Group. The entity is not a shareholder in the Australian assets of the Gupta Group. On 10 February 2025, a hearing took place where further information was requested and the appointment is currently listed to be considered on 24 March 2025. Reasons why not an impediment or conflict The appointment as Judicial Managers has not been affected so there is currently no conflict. This matter will not influence our ability to fully comply with the statutory and fiduciary obligations associated with the voluntary administration and any subsequent liquidation of the Company in an objective and impartial manner. An updated internal conflict check process would be undertaken in relation to this potential role following our appointment as administrators of the Company should the role still be required in the future.

Indemnities and upfront payments

Indemnities

We have been provided with the following indemnity for the conduct of this voluntary administration, in addition to any statutory indemnities to which we may be entitled:

Name	Nature of indemnity
The State (secured creditor of the Company)	The administrators entered into a Funding and Indemnity Deed with the State ('the Deed') dated 19 February 2025. Under the terms of the Deed, the State agrees to indemnify, keep indemnified and hold harmless at all times the administrators from and against: • Any liability incurred by the administrators in the course of or in connection with the voluntary administration • Any shortfall that may arise should the administrators fail to recover in full their remuneration and costs from the assets of the Company • Any claim against the administrators arising directly from or out of their appointment as administrators • Any liability arising from or out of any cancellation or cessation of the administrators' appointment except for any indirect or consequential loss incurred. The administrators are not entitled to an indemnity for any excluded liability, being any liability incurred as a result of fraudulent, wilful, grossly negligent or criminally unlawful acts or omissions (except if the latter arises from any defect in appointment). Any payments (in aggregate) by the State in respect of the indemnity are subject to the agreed funding limit of \$400 million (inclusive of GST). Despite the above funding limit, nothing in the Deed restricts the State's obligations to indemnify the administrators for all and any liabilities arising in connection with any breach of the State's environmental laws which pre-dated the commencement of the Deed. Under the Deed, the administrators agree to provide the State with various forecasts and reporting so that the State remains updated on the costs of the administration (which are being funded under the Deed). This includes fortnightly forecasts and reconciliations against actual costs, and such further information as the State may reasonably require in respect of forecast or actual costs. The administrators must also notify the State if a review date arises (specified based on actual administration costs versus the funding limit) and meet with the State to discuss actual and forecast administration costs and the conduct of the administration broadly. Under the Deed, the administrators further agree to: • Meet and consult with the State in respect of any material changes planned to the operations of the Company • Consider and negotiate in good faith any cost minimisation or mitigation measures raised by the State • Not commit to or incur any significant expenses (over \$5 million) without the State's prior written consent. This excludes operating costs of the Company in the ordinary course of business. • Use reasonable endeavours firstly to operate the Company as a going concern with a view to maximising the use of Company assets and revenue to cover administration costs and secondly to minimise or mitigate forecast and actual administration costs • Seek the State's prior written consent to any appointment of a third party expert adviser to undertake an operational and technical review of the Company's business.

There are no further material conditions on the conduct or outcome of the administration attached to the provision of these funds.

There are no other indemnities to be disclosed.

Upfront payments

We have been provided with the following upfront payments for the conduct of the voluntary administration:

Name	Nature of indemnity
The State (secured creditor of the Company)	Under the terms of the above Deed, the State has paid an amount of \$100 million into the administrators' bank account established in the Company's name in order to fund the initial trading expenses and remuneration associated with the voluntary administration. The money will not be drawn to meet our remuneration until such time that it is approved by creditors or the court. There are no conditions on the conduct or outcome of the administration attached to the provision of these funds.

There are no other upfront payments to be disclosed.

General

The assessment of independence has been made based on an evaluation of the significance of any threats to independence and in accordance with the requirements of the relevant legislation and professional standards.

As required under the Corporations Act 2001 and the ARITA Code of Professional Practice, if circumstances change, or new information is identified, we will update this declaration and provide a copy to creditors with our next communication as well as table a copy of any replacement declaration at the next meeting of the Company's creditors. This declaration, along with any replacement declaration, will be lodged with the Australian Securities and Investments Commission as soon as practical.

**Appendix 2 – Creditor Rights in Voluntary Administrations
Information Sheet**

Creditor Rights in Voluntary Administrations

As a creditor, you have rights to request meetings and information or take certain actions:

Right to request information

Information is communicated to creditors in a voluntary administration through reports and meetings.

In a voluntary administration, two meetings of creditors are automatically held. You should expect to receive reports and notice of these meetings:

- The first meeting is held within 8 business days of the voluntary administrator's appointment. A notice of meeting and other information for this meeting will be issued to all known creditors.
- The second, or decision, meeting is usually held within 6 weeks of the appointment, unless an extension is granted. At this meeting, creditors will get to make a decision about the company's future. Prior to this meeting the voluntary administrator will provide creditors with a notice of the meeting and a detailed report to assist in making your decision.

Important information will be communicated to creditors prior to and during these meetings. Creditors are unable to request additional meetings in a voluntary administration.

Creditors have the right to request information at any time. A voluntary administrator must provide a creditor with the requested information if their request is 'reasonable', the information is relevant to the voluntary administration, and the provision of the information would not cause the voluntary administrator to breach their duties.

A voluntary administrator must provide this information to a creditor within 5 business days of receiving the request, unless a longer period is agreed. If, due to the nature of the information requested, the voluntary administrator requires more time to comply with the request, they can extend the period by notifying the creditor in writing.

Requests must be reasonable.

They are not reasonable if:

- (a) complying with the request would prejudice the interests of one or more creditors or a third party
- (b) the information requested would be privileged from production in legal proceedings
- (c) disclosure would found an action for breach of confidence
- (d) there is not sufficient available property to comply with the request
- (e) the information has already been provided
- (f) the information is required to be provided under law within 20 business days of the request
- (g) the request is vexatious

If a request is not reasonable due to (d), (e) or (f) above, the voluntary administrator must comply if the creditor meets the cost of complying with the request.

Otherwise, a voluntary administrator must inform a creditor if their information request is not reasonable and the reason why.

Specific questions about the voluntary administration should be directed to the voluntary administrator's office.

Right to give directions to voluntary administrator

Creditors, by resolution, may give a voluntary administrator directions in relation to a voluntary administration. A voluntary administrator must have regard to these directions, but they are not required to comply with the directions.

If a voluntary administrator chooses not to comply with a direction given by a resolution of the creditors, they must document their reasons for not complying.

An individual creditor cannot provide a direction to a voluntary administrator.

Right to appoint a reviewing liquidator

Creditors, by resolution, may appoint a reviewing liquidator to review a voluntary administrator's remuneration or a cost or expense incurred in a voluntary administration. The review is limited to:

- remuneration approved within the six months prior to the appointment of the reviewing liquidator, and
- expenses incurred in the 12 months prior to the appointment of the reviewing liquidator.

The cost of the reviewing liquidator is paid from the assets of the voluntary administration, in priority to creditor claims.

An individual creditor can appoint a reviewing liquidator with the voluntary administrator's consent, however the cost of this reviewing liquidator must be met personally by the creditor making the appointment.

Right to replace voluntary administrator

At the first meeting, creditors have the right to remove a voluntary administrator and appoint another registered liquidator to act as voluntary administrator.

A creditor must ensure that they have a consent from another registered liquidator prior to the first meeting if they wish to seek the removal and replacement of a voluntary administrator.

Creditors also have the opportunity to replace a voluntary administrator at the second meeting of creditors:

- If creditors vote to accept a proposed deed of company arrangement, they can appoint a different registered liquidator as the deed administrator.
- If creditors vote to place the company into liquidation, they can appoint a different registered liquidator as the liquidator.

It is however usual for the voluntary administrator to act as deed administrator or liquidator. It would be expected that additional costs would be incurred by an alternate deed administrator or liquidator to gain the level of knowledge of the voluntary administrator.

Like with the first meeting, a creditor must ensure that they have a consent from another registered liquidator prior to the second meeting if they wish to seek to appoint an alternative registered liquidator as deed administrator or liquidator.

Specific queries about the voluntary administration should be directed to the voluntary administrator's office.**

Appendix 6 – Committees of Inspection Information Sheet

Information Sheet: Committees of Inspection

You have been elected to be, or are considering standing for the role of, a member of a Committee of Inspection (COI) in either a liquidation, voluntary administration or deed of company arrangement of a company (collectively referred to as an external administration).

This information sheet is to assist you with understanding your rights and responsibilities as a member of a COI.

What is a COI?

A COI is a small group of creditors elected to represent the interests of creditors in the external administration. The COI advises and assists the external administrator and also has the power to approve and request certain things – this is discussed in more detail below.

Membership of the COI is a voluntary, unpaid position.

Who can be elected to a COI?

To be eligible to be appointed as a member of a COI, a person must be:

- A creditor
- A person holding the power of attorney of a creditor
- A person authorised in writing by a creditor; or
- A representative of the Commonwealth where a claim for financial assistance has, or is likely to be, made in relation to unpaid employee entitlements.

If a member of the COI is a company, it can be represented by an individual authorised in writing to act on that creditor's behalf. It also allows the creditor to maintain its representation if a change in the individual is required

A COI usually has between 5 and 7 members, though it can have more, or less, depending on the size of the external administration.

A member of a COI can be appointed by:

- resolution at a meeting of creditors
- an employee or a group of employees owed at least 50% of the entitlements owed to employees of the company
- a large creditor or group of creditors that are owed at least 10% of the value of the creditors' claims,

If an employee or group of employees, or a large creditor or group of creditors, appoints a member to the COI, they cannot vote on the general resolution of creditors to appoint members to the COI. Each of these groups also have the power to remove their appointed member of the COI and appoint someone else.

Specific queries should be directed to the external administrator's office.

If you are absent from 5 consecutive meetings of the COI without leave of the COI or you become an insolvent under administration, you are removed from the COI.

What are the roles and powers of a COI?

A COI has the following roles:

- to advise and assist the liquidator, voluntary administrator or deed administrator (collectively referred to as the external administrator)
- to give directions to the external administrator
- to monitor the conduct of the external administration.

In respect of directions, the external administrator is only required to have regard to those directions. If there is a conflict between the directions of the COI and the creditors, the directions of the creditors prevail. If the external administrator chooses not to comply with the directions of the COI, the external administrator must document why.

A COI also has the power to:

- approve remuneration of the external administrator after the external administrator has provided the COI with a Remuneration Approval Report (a detailed report setting out the remuneration for undertaking the external administration)
- approve the use of some of the external administrator's powers in a liquidation (compromise of debts over \$100,000 and entering into contracts over 3 months)
- require the external administrator to convene a meeting of the company's creditors
- request information from the external administrator
- approve the destruction of the books and records of the external administration on the conclusion of the external administration
- with the approval of the external administrator, obtain specialist advice or assistance in relation to the conduct of the external administration
- apply to the Court for the Court to enquire into the external administration.

An external administrator is not required to convene a meeting of creditors if the request by the COI is unreasonable, or provide requested information if the request is unreasonable, not relevant to the administration or would cause the external administrator to breach their duties.

A request to convene a meeting of creditors is unreasonable if:

- it would substantially prejudice the interests of a creditor or third party
- there are insufficient funds in the external administration to cover the cost of the request
- a meeting of creditors dealing with the same matters has already been held or will be held within 15 business days, or
- the request is vexatious.

If a request for a meeting is reasonable, the external administrator must hold a meeting of creditors as soon as reasonably practicable.

A request for information is unreasonable if:

- it would substantially prejudice the interests of a creditor or third party
- the information would be subject to legal professional privilege
- disclosure of the information would be a breach of confidence
- there are insufficient funds in the external administration to cover the cost of the request
- the information has been provided or is required to be provided within 20 business days, or
- the request is vexatious.

If the request for information is not unreasonable, the external administrator must provide the requested information within 5 business days, but the law provides for further time in certain circumstances.

An external administrator must inform the COI if their meeting or information request is not reasonable and the reason why.

How does the COI exercise its powers?

A COI exercises its powers by passing resolutions at meetings of the COI. To pass a resolution, a meeting must be convened and a majority of the members of the COI must be in attendance.

A meeting is convened by the external administrator by giving notice of the meeting to the members of the COI. Meetings of the COI can be convened at short notice. The external administrator must keep minutes of the meeting and lodge them with ASIC within one month of the end of the meeting.

ASIC is entitled to attend any meeting of a COI.

What restrictions are there on COI members?

A member of a COI must not directly or indirectly derive any profit or advantage from the external administration. This includes by purchasing assets of the company or by entering into a transaction with the company or a creditor of the company. This prohibition extends to related entities of the member of the COI and a large creditor(s) that appoints a member to the COI.

Creditors, by resolution at a meeting of creditors, can resolve to allow the transaction. The member of the COI or the large creditor(s) that appoints a member to the COI is not allowed to vote on the resolution.

Where can you get more information?

The Australian Restructuring Insolvency and Turnaround Association (ARITA) provides information to assist creditors with understanding external administrations and insolvency. This information is available from ARITA's website at www.arita.com.au/creditors.

ASIC provides information sheets on a range of insolvency topics. These information sheets can be accessed on ASIC's website at www.asic.gov.au (search "insolvency information sheets").

**For more information, go to www.arita.com.au/creditors.
Specific queries about the liquidation should be directed to the liquidator's office.**

Appendix 7 – Initial Remuneration Notice

Corporations Act 2001

Initial remuneration notice

OneSteel Manufacturing Pty Limited (Administrators Appointed) ACN 004 651 325 ('the Company') Trading as OneSteel Whyalla Steelworks and SIMEC Mining

The purpose of the Initial Remuneration Notice is to provide you with information about how our remuneration for undertaking the voluntary administration will be set and how disbursements may be calculated and incurred.

Remuneration methods

There are four basic methods that may be used to calculate the remuneration of an external administrator. They are:

1. Time based or hourly rates – This is the most common method. The total fee charged is based on the hourly rate charged for each staff member based on their level of experience and multiplied by the number of hours spent by each staff member on each of the tasks performed.
2. Fixed fee – The total fee charged is normally agreed to, and quoted, at the commencement of the administration and is based on the anticipated work through the term of the administration. At times, an insolvency practitioner will finalise an administration for a fixed fee.
3. Percentage – The total fee is based on a percentage rate of a particular variable, such as the gross proceeds of all assets recovered in an administration.
4. Contingency – The fee is structured to be contingent on a particular outcome being achieved.

Remuneration method chosen

Given the nature of this administration, remuneration will be calculated on the basis of an hourly rate charged for each person who carried out the work at the direction of the voluntary administrators multiplied by the number of hours spent by each person on each of the tasks performed as it fairly reflects the necessary work performed and overcomes the difficulty in identifying the scope of the work required, particularly on longer term engagements. It also ensures that creditors are only charged for work that is performed. This method is also chosen as there are a number of tasks that are required to be performed but do not relate to the realisation of assets, for example responding to creditor enquiries, reporting to the Australian Securities and Investments Commission and distributing funds to creditors.

Explanation of the KordaMentha rates

The current rates for our remuneration calculation are set out in the attached appendix together with a general guide showing the qualifications and experience of staff engaged in the administration and the role they take in the administration. These rates are multiplied by the time spent by the applicable staff member in completing tasks relating to the administration as recorded in our time reporting system. The basis of our time reporting system is one of six minute time increments. This allows us to produce a detailed analysis of time spent on each type of task by each individual staff member utilised in the administration. This method provides full accountability to creditors in the method of calculation.

The KordaMentha rates are subject to review and adjustment at 1 July each year to reflect changes in the cost base of the firm and changes in market conditions and rates for comparable insolvency firms. The hourly rates charged encompass the total cost of providing professional services and should not be compared to an hourly wage.

Estimate of total remuneration

Based on the limited information we have at this early stage of the administration, we estimate that this administration will cost approximately \$10 million (excluding GST), funds permitting. The total cost of the administration will vary depending on the complexity and demands of the administration and the work required to

be performed by the voluntary administrators and our staff in respect of issues arising from the administration. Any delays in the administration could also cause the estimate to vary. These variables may have a significant effect on this estimate, however we are unable to determine at this early stage of the administration what the effect may be.

We did not provide an estimate of the cost of the administration to any party prior to our appointment.

We entered into a Funding and Indemnity Deed with the State of South Australia ('the State') dated 19 February 2025 ('the Deed'). Under the terms of the Deed, we received:

- An upfront payment of \$100 million to contribute to the estimated cost of the administration which was paid into the administrators' bank account shortly following the appointment.
- An indemnity for any liability incurred by the administrators in the course of or in connection with the voluntary administration, any shortfall that may arise should the administrators fail to recover in full their remuneration and costs from the assets of the Company, any claim against the administrators arising directly from or out of their appointment as administrators and any liability arising from or out of any cancellation or cessation of the administrators' appointment except for any indirect or consequential loss incurred. The indemnity is subject to specific exclusions and any payments (in aggregate) by the State in respect of the indemnity are subject to the funding limit of \$400 million (inclusive of GST).

The upfront payment and indemnity were disclosed in the Declaration of Independence, Relevant Relationships and Indemnities which contains further information regarding the nature of the indemnity.

The money provided to meet our remuneration will not be drawn until such time that it is approved by creditors or the court. Remuneration can also be paid from the assets of the administration after approval by creditors or the court.

Please note that if the total remuneration claimed is less than the statutory minimum pursuant to Section 60-15 of Schedule 2 (Insolvency Practice Schedule) of the Corporations Act 2001 (Cth) ('the IPS'), being \$6,349 (exclusive of GST), creditor approval will not be required pursuant to Subsection 60-5(2) of the IPS.

Disbursements

Disbursements are divided into three types:

- Externally provided professional services – these are recovered at cost. An example of an externally provided professional service disbursement is legal fees.
- Externally provided non-professional costs – these are recovered at cost. Examples of externally provided professional service disbursements are travel, accommodation, search fees and lodgement fees.
- Internal disbursements – these are recovered on a reasonable commercial basis. These disbursements are generally charged at cost, though some may be charged at a rate which recoups both variable and fixed costs. Examples of internal disbursements include printing and postage costs, travel allowance and data room hosting.

We are not required to seek creditor approval for disbursements paid to third parties but must account to creditors. However, we must be satisfied that these disbursements are appropriate, justified and reasonable.

We are required to obtain creditor's consent for the payment of internal disbursements. Creditors will be asked to approve our internal disbursements prior to these disbursements being paid from the administration.

Details of the basis of recovering disbursements are included with the enclosed schedule titled KordaMentha Rates – National RST – FY2025.

Disbursements incurred from third party suppliers are charged at the cost invoiced except for ASIC charges when only an estimated amount is known or the future storage and destruction of books and records, which is charged at the actual rate at the time of the resolution. KordaMentha does not add any margin to disbursements incurred through third parties. There are no charges for internal KordaMentha disbursements, such as internal photocopy use, telephone calls or facsimiles, except for bulk printing and postage that is performed internally, which are calculated on a variable cost recovery basis.

In relation to any employee allowances, being kilometre allowance and reasonable travel allowance, the rate of the allowance set by KordaMentha is at or below the rate set by the Australian Taxation Office.

If a KordaMentha data room is utilised, the fee will be based on the duration and size of the data room. Certain services provided by Forensic Technology may require the processing of electronically stored information into specialist review platforms. Where these specific Forensic Technology resources are utilised, the fee will be based on units (e.g. number of laptops), size (e.g. per gigabyte) and/or period of time (e.g. period of hosting).

Employees – Frequently Asked Questions – First Meeting, Proxies and Proofs

Mark Mentha, Sebastian Hams, Michael Korda and Lara Wiggins were appointed Voluntary Administrators of the Company on 19 February 2025 pursuant to Section 436C of the Corporations Act.

For your reference, the Administrators have provided a Frequently Asked Questions guide to assist employees with respect to the first meeting of creditors and the lodgement of Proxy Forms and Proof of Debt Forms.

First Meeting

1 When is the First Meeting of Creditors?

The first meeting of creditors pursuant to Section 436E of the Act will be held on Monday, 3 March 2025, at 2:00 pm (ACDT) in Whyalla at Westland Convention Room, Westland Hotel Motel, 100 McDouall Stuart Avenue, Whyalla Norrie SA 5608. In addition to the Whyalla location, the meeting will also be held virtually.

Creditors attending online or in person will both be provided an opportunity to vote on the resolutions.

2 What is the agenda of the first meeting of creditors?

The agenda of the first meeting of creditors is detailed below:

- The purpose of the meeting is to determine:
 - Whether to appoint a Committee of Inspection.
 - If so, who are to be the Committee's members.
- At the meeting, creditors may also, by resolution:
 - Remove the Administrators from office.
 - Appoint someone else as Administrator(s) of the Company.

3 Do employees need to attend the First Meeting of Creditors?

While it is not essential for employees to attend the first meeting of creditors, creditors with outstanding claims against the Company are entitled to vote at any meetings of creditors. Attendance at this meeting is not compulsory.

4 I want to attend the First Meeting of Creditors. What do I need to do to attend and vote at the meeting?

To attend and participate in the meeting, you will need to action the following by 2.00pm (ACDT) on the last business day prior to the meeting, being Friday, 28 February 2025:

- Register your attendance (see below)
- Submit a Proxy Form (if required) (see below)
 - **Register your attendance:** All creditors (including employees) who wish to vote and attend the first meeting of creditors (whether attending in person or virtually) must register their attendance via the following link:
https://kordamentha.zoom.us/webinar/register/WN_Is2IVtzxRpi8guYYGT00og
 - Please complete with the first name, last name and email of the person attending the meeting. This should match to the Proxy Form submitted (if applicable).
 - Please include the creditor name (this will be the employee's name)
 - Please confirm whether you will be attending the meeting in person or virtually.

The Administrators will then issue you with a unique meeting invitation link via email.

Please note if you have indicated you or your proxy will be attending in person (physically in Whyalla), you will still be issued a meeting invitation link as this may be utilised by you on the day to assist in the voting on resolutions during the meeting (please bring your phone or other electronic device for voting purposes on the day). An 'in person' voting option will also be available should there be any issues with voting electronically.

The meeting invitation will only be issued to creditors who have submitted the required documentation (refer below point).

- **Submit a Proxy Form:** Creditors who are individuals, such as employees, and wish to vote at a meeting, only need to complete and return a Proxy Form if they are voting by proxy or having a person represent them at the meeting, whether virtually or in person.
 - Proxy Forms must be completed and returned by email to onesteelcreditors@kordamentha.com or post to KordaMentha, GPO Box 2985, Melbourne VIC 3001 (please be mindful of postal delays).

Please note the Administrators will be attempting to calculate employee entitlements prior to the first meeting of creditors. We will admit employees for the purpose of voting for the amount owing to the employee in accordance with the Company's books and records – therefore you do not need to submit a Proof of Debt Form unless you wish to.

5 If I am attending the First Meeting of Creditors in person in Whyalla, are there any instructions I need to be aware of?

If you are planning to attend the meeting in person in Whyalla, ensure you arrive at least 30 minutes prior to the commencement of the meeting to allow time for registration. In person registration will open at 1.15 pm (ACDT) on Monday, 3 March 2025, with the meeting commencing at 2:00 pm (ACDT). Please also ensure you have complied with all requirements to confirm your ability to attend and vote at the meeting (refer above).

Please ensure you bring your phone or other electronic device for voting purposes on the day and have your Zoom meeting invitation link to hand as this will be used to assist in voting on the day.

Please be mindful of parking availability on the day.

6 How do I join the First Meeting of Creditors?

For all employees who have registered for the meeting, a meeting invitation link will be forwarded to the email address nominated in your online registration. If you are a creditor who has nominated a proxy, the meeting invitation link will be emailed to your nominated proxy's email address in line with the online registration form.

You can then use the link contained in the email to join the first meeting of creditors.

Alternatively, you can attend at the physical location in Whyalla. Please arrive at the venue at least 30 minutes prior to commencement of the meeting to allow time for registration.

We recommend that you download Zoom to your device prior to the commencement of the meeting. For computers, the download can be found here: [Download Center - Zoom](#). For mobile devices, download Zoom from the Apple App Store or Google Play.

7 Can I forward the meeting link to other people?

The link in the registration confirmation email is unique and only one device can join the meeting using that link.

8 How will I participate (vote and/or ask questions) during the First Meeting of Creditors?

Voting – Will be completed via the voting buttons in the Zoom meeting. During the meeting, any resolutions that creditors are able to vote on will appear on the screen of the Zoom meeting and you will be able to select an option to vote either in favour of the resolution, against the resolution or abstain from voting. Voting is not compulsory.

For those attending in person, voting will also be conducted via Zoom. You will be able to access the Zoom meeting link issued to your email - please join this link while in the physical meeting from your phone or personal electronic device, and view the screen of the Zoom meeting where you will be able to select an option to vote either in favour of the resolution, against the resolution or abstain from voting. An 'in person' voting option will also be available should there be any issues with voting electronically.

Further instructions and guidance will be provided at the First Meeting of Creditors.

Questions – There will be a Q&A chat box in Zoom during the meeting which will be referred to during question time. When submitting a question, you must write your name, creditor name (if company) along with the question in order for your question to be answered. There may also be an opportunity to ask questions by raising your hand during the meeting (for those attending in person in Whyalla). Questions that are broadly the same will be answered together.

9 Can I vote at the First Meeting of Creditors if I do not wish to attend?

Yes. Employees wishing to vote at the meeting, who will not be attending in person, must complete and return the Proxy Form.

You can appoint the chairperson of the meeting or another person as your proxy, such as your nominated union representative, and direct the chairperson or that person how you wish your vote to be cast. If you choose to do this, the chairperson or that person must cast your vote as directed.

If you are a member of a union and wish to be represented at the meeting by your union's representative, or you do not wish to attend the meeting, please reach out to your union for the relevant proxy details. Your relevant union should also be in contact with you prior to the first meeting of creditors with further information regarding how you can nominate the union representative as your proxy.

10 I can't attend the meeting and have no one to attend on my behalf. What should I do?

You should also complete the Proxy Form directing the Chairperson to vote on your behalf. You do not need to register via the Zoom link if you are unable to attend and do not have a proxy to attend on your behalf.

11 What is a Committee of Inspection?

As noted above, creditors can vote at the First Meeting of Creditors to decide whether or not a Committee of Inspection should be established. A Committee of Inspection may be formed to assist and advise the Administrators and consists of creditors of the administration.

It is our opinion that a Committee of Inspection would be useful to assist with the conduct of the administration.

12 What does a Committee of Inspection do?

The role of a Committee of Inspection is to consult with the Administrators and receive reports on the conduct of the administration. A Committee of Inspection can also approve the Administrators' fees.

13 Who can be on a Committee of Inspection?

All creditors are eligible to be nominated as a member of a Committee of Inspection. Creditors should consider whether you would like to act as a member of the Committee of Inspection.

14 What happens after the First Meeting of Creditors?

A Second Meeting of Creditors is generally held approximately one month after the First Meeting. However, this timeline may be extended to provide more time to stabilise the business and develop a plan for the future of the Company for consideration by creditors. We will advise on the timing of the Second Meeting in due course.

Creditor claims and Proofs of Debt

15 How do I submit a Proof of Debt and what information should I provide?

Employees do not need to submit a Proof of Debt Form as the Administrators are in the process of reviewing and calculating your employee entitlements and will admit employees for the purposes of voting for the amount owing to them in accordance with the Company's books and records. However, you may submit a Proof of Debt Form if you wish.

Employee may complete a Proof of Debt Form (a proof of debt form is enclosed) return via email to onesteelcreditors@kordamentha.com or via post to KordaMentha, GPO Box 2985, Melbourne VIC 3001 (please be mindful of postal delay).

If your role is made redundant you will be notified by the Administrators and will receive written correspondence detailing this.

If you are made redundant, you may be entitled to redundancy pay in accordance with your modern award, enterprise agreement or employment agreement however, this will form part of your FEG claim (if necessary).

Notice period – payment of any notice period will be in accordance with your modern award, enterprise agreement or employment agreement, however this will form part of the FEG claim (if necessary). Your entitlements will include any notice period that you are not required to work, i.e. you will be paid for any part of your notice period you work through the normal payroll process and the balance of your notice period will be included in your remaining entitlements.

29 If I am made redundant from the Company, will I get paid all of my entitlements?

The Administrators do not intend to make any immediate redundancies.

In any event, the payment of pre-appointment employee entitlements will still remain dependent on the outcome of the administration or the necessity to make a FEG claim should the Company be placed into liquidation.

Fair entitlements Guarantee (FEG)**30 What is FEG?**

In the event the Company is placed into liquidation, you will have access to FEG, which is a legislative safety net scheme operated by the Commonwealth Government for employees of insolvent entities.

If the company that employs you has been placed into liquidation and there are insufficient assets to satisfy outstanding employee entitlements, employees may lodge a claim for their outstanding entitlements with FEG.

Details on the FEG scheme can be found at: Fair Entitlements Guarantee (FEG) | Attorney-General's Department (ag.gov.au)

Creditors meetings and Proofs of Debt

31 Are employees entitled to vote at creditor meetings to determine the future of the Company? What is the process?

Employees with outstanding pre-appointment entitlements are creditors of the Company and are entitled to vote at meetings of creditors which will be conducted by the Administrators.

To participate in such meetings, employees may attend or appoint a proxy (the Proxy Form is required if you are unable to attend the meeting and/or would like to appoint someone else to vote on your behalf).

You do not need to submit a Proof of Debt as the Administrators will admit employees for the purposes of voting for the amount owing to them in accordance with the Company's books and records. However, you may submit a Proof of Debt Form if you wish.

Further instructions regarding these matters is included in the Circular to Employees and Employee FAQ – First Meeting, Proxies and Proofs document on the KordaMentha website.

32 When is the First Meeting of Creditors?

The first meeting of creditors pursuant to Section 436E of the Act will be held on Monday, 3 March 2025, at 2:00 pm (ACDT) in Whyalla at Westland Convention Room, Westland Hotel Motel, 100 McDouall Stuart Avenue, Whyalla Norrie SA 5608.

In addition to the Whyalla location, the meeting will also be held virtually. Further information is included in the Circular to Employees and Employee FAQ – First Meeting, Proxies and Proofs document on the KordaMentha website.

Creditors attending online or in person will both be provided an opportunity to vote on the resolutions.

33 Do employees need to attend the First Meeting of Creditors?

While it is not essential for creditors to attend the First Meeting of Creditors, creditors with outstanding claims against the Company are entitled to vote at any meetings of creditors. Attendance at this meeting is not compulsory.

34 I want to attend the First Meeting of Creditors. What do I need to do to attend and vote at the meeting?

To attend and participate in the creditors' meeting, there will be several things you need to do. Further information on the steps involved are in the Circular to Employees and Employee FAQ – First Meeting, Proxies and Proofs document on the KordaMentha website.

35 How do I complete and submit a proxy form?

Further instruction will be communicated in due course.

36 What is the agenda of the first meeting of creditors?

The agenda of the first meeting of creditors is detailed below:

- The purpose of the meeting is to determine:
 - Whether to appoint a Committee of Inspection.
 - If so, who are to be the Committee's members.
- At the meeting, creditors may also, by resolution:
 - Remove the Administrators from office.
 - Appoint someone else as Administrator(s) of the Company.

37 What happens after the First Meeting of Creditors?

A Second Meeting of Creditors is generally held approximately one month after the First Meeting. However, this timeline may be extended to provide more time to stabilise the business and develop a plan for the future of the Company for consideration by creditors. We will advise on the timing of the Second Meeting in due course.

Trading

38 What messaging should I provide to suppliers?

Suppliers are to be advised of the following:

- The Administrators are continuing to trade the business while they assess the financial position of the Company and stabilise the business with a view to developing a plan to maximise the chance of the business continuing into the future.
- All continuing suppliers should open new accounts in respect of the Company, including the suffix '(Administrators Appointed)' for all goods supplied and services rendered to the Company following the Administrators' request.

39 Has the process for reporting incidents changed?

No. Safety remains a core value of the business. It is still imperative that if you see an incident or identify a hazard you must still follow the Company's notification and reporting process. Reporting incidents and hazards is one of the best ways we can ensure that we eliminate risks in the workplace.

If people have any safety concerns, they should immediately raise them with their direct supervisor.

40 What if I have information relevant that I feel the Administrators should be aware of?

If you are aware of any safety or OH&S issues, please escalate these in accordance with the Company's policies in this regard.

If you are aware of any immediate safety issues that have not been addressed, please liaise with your EGM urgently.

All known breaches of the law or regulations (e.g. health, safety, hygiene, fire, etc.) are to be notified to us in writing immediately.

If you have information that you feel the Administrators should be aware of then please contact the Administrators on onesteeemployees@kordamentha.com.

Additional queries

We note that this is an evolving situation, and should there be any changes, you will be updated accordingly.

Should you have any additional queries, please contact KordaMentha via email at onesteeemployees@kordamentha.com with your query, full name, job title location and contact number.

The Administrators will continue to provide updates in relation to the administration via various mediums, including post, email and online via the Creditor information page on the KordaMentha website: [Creditors \(kordamentha.com\)](#)

Hi Gary

Thank you for reaching out.

As discussed at the meeting, we will require the following from the AWU:

1. Ensure that the employee memberships are up to date for AWU; and
2. Provide us with a copy of all employees the AWU represents; and
3. Nominate a single point representative to represent AWU members for voting purposes at creditor meetings. This representative will act as a proxy for AWU members for the first and second meeting of creditors, streamlining the process. Ideally this representative is not an external legal representative as that will incur additional costs for the administration.

Further, please see attached Sovereign Steel Package Brochure that was provided at today's press conference. This is also available on our KordaMentha Creditor website here:
<https://url.uk.m.mimecastprotect.com/s/n9zXCzmMqSmAN0YT4f9T9-crE?domain=kordamentha.com>. This KordaMentha website will be regularly updated with new information and correspondence when available.

Hi Chelsea

Good to meet you this morning.

Can you or Leon provide a brief outline of what is required by the AWU to become the sole creditors for our members. This information is important as we need to start engaging with our members prior to 3rd March meeting. And can you provide the flyer that Mark had today as a PFD

Hi Steve

Thank you for your time today. As discussed at the meeting, we will require the following from the AMWU:

1. Ensure that the employee memberships are up to date for AMWU; and
2. Provide us with a copy of all employees the AMWU represents; and
3. Nominate a single point representative to represent AMWU members for voting purposes at creditor meetings. This representative will act as a proxy for AMWU members for the first and second meeting of creditors, streamlining the process. Ideally this representative is not an external legal representative as this would incur additional costs for the administration.

Further, please see attached Sovereign Steel Package Brochure that was provided at today's press conference. This is also available on our KordaMentha Creditor website here: [OneSteel Manufacturing Pty Limited \(Administrators Appointed\)](#). This KordaMentha website will be regularly updated with new information as it becomes available.

Kind regards

Hi Brett

Thank you for reaching out. As discussed at the meeting today, we will require the following from the MUA:

1. Ensure that the employee memberships are up to date for MUA; and
2. Provide us with a copy of all employees the MUA represents; and
3. Nominate a single point representative to represent MUA members for voting purposes at creditor meetings. This representative will act as a proxy for MUA members for the first and second meeting of creditors, streamlining the process. Ideally this representative is not an external legal representative as that will incur additional costs for the administration.

Further, please see attached Sovereign Steel Package Brochure that was provided at today's press conference. Dear Mr Leibler,

Re: OneSteel Manufacturing Pty Limited (Administrators Appointed)

We contact you in relation to the voluntary administration of OneSteel Manufacturing Pty Limited (**OneSteel**), with administrators being appointed on 19 February 2025.

We understand that the first meeting of the creditors of the group is scheduled for 2pm ACDT on 3 March 2025.

The Australian Workers' Union (**AWU**) is an organisation of employees registered under the *Fair Work (Registered Organisations) Act 2009* (Cth). As you are aware, a substantial number of OneSteel employees are members of the AWU (**OneSteel members**). By virtue of their membership to the AWU, the AWU represents its members employed by OneSteel.

The AWU OneSteel members are creditors of OneSteel and are entitled to have their interests represented at the first creditors meeting.

However, the substantial number of OneSteel members and the short time between now and the first creditors meeting presents a barrier for the AWU to ensure that each OneSteel member is provided an opportunity to sign an individual proxy form nominating an official of the AWU as their proxy at the creditors meeting.

Additionally, as the Whyalla Steelworks is a 24/7 operation, the rostering arrangements present another barrier for the AWU to ensure that all members are provided an opportunity to complete and return an individual proxy form.

The above circumstances surrounding the administration of OneSteel create significant difficulties for OneSteel members in having their interests properly represented at the first meeting of creditors.

The nature of such difficulties in respect of a first creditors meeting in an administration have been recognised by the Courts, most significantly in *Re Ansett; Rappas v Ansett Australia (2001) 39 ACSR 296*.

As such, the AWU formally requests that the administrators swiftly make an application to the Federal Court of Australia for an order pursuant to s.447A of the

Corporations Act (Act) that Part 5.3A of the Act is to operate in relation to OneSteel Manufacturing Limited Pty Limited as if it provided that at the meeting or meetings held pursuant to s.436E of the Act, each employee of OneSteel who is a member of The Australian Workers' Union had duly appointed Zachary Duncalfe to be their attorney pursuant to Regulation 5.6.31A for the purpose of that meeting, save for any employee who attends any meeting in person or any employee who signs a proxy appointing some other person.

The AWU formally requests that the administration bears the cost of this application.

For completeness, Mr Zachary Duncalfe is the Senior National Legal Officer of the AWU and is a solicitor registered with the New South Wales Law Society.

We would appreciate if you could confirm by close of business today whether the administrators will take steps to make the application as sought by the AWU.

Please contact Zachary Duncalfe on zach.duncalfe@nat.awu.net.au or 0401830083 in relation to this correspondence.

Yours Sincerely,

Dear Mr Leibler

OneSteel Manufacturing Pty Limited (Administrators Appointed)

I refer to your conversation with Kathryn Presdee, our Senior National Legal Officer, on 25 February 2025.

The “Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union” known as the Australian Manufacturing Union (“AMWU”) is an organisation of employees registered under the *Fair Work (Registered Organisations) Act* 2009. As such we represent approximately 150 AMWU members who are employed at the Whyalla Steelworks and Middlebank Range Iron Ore mine (“the affected AMWU members”).

Both the AMWU and affected AMWU members are aware that OneSteel Manufacturing Pty Limited (“OneSteel”) has been placed under administration, and that Mark Mentha, Sebastian Hams, Mark Korda and Lara Wiggins have been appointed as administrators by the South Australian Government

The affected AMWU members are creditors of OneSteel and, as such, are entitled to have their interests represented at the first and any subsequent creditors’ meetings.

The AMWU is aware that the first creditors’ meeting is to be held on **Monday 3 March 2025**.

Given the short timeframe and the number of affected AMWU members, this creates difficulties for the AMWU affected members in having their interests properly represented at the first meeting of creditors. This difficulty is also compounded by the logistical challenge of ensuring that individual proxy forms are signed by and lodged with the Administrators ahead of the meeting.

The AMWU therefore requests that the Administrators make an application in the Federal Court of Australia for an order in the following or similar terms:

Pursuant to Section 447A of the Corporations Act 1993 (the Act) Part 3.5A of the Act is to operate in relation to OneSteel Manufacturing Pty Limited as if it provided that at the meeting or meetings held pursuant to Section 436E of the Act, each employee of OneSteel Manufacturing Pty Limited who is a member of the Australian Manufacturing Workers Union (“AMWU”) had duly appointed Mr Steve McMillan to be their attorney pursuant to Regulation 5.6.31A for the purpose of that meeting or those meetings save for:

- (i) *Any employee who attends any meeting in person;*
- (ii) *Any employee who signs a proxy form appointing some other person to attend any meeting on his or her behalf;*

All parties' costs of and incidental to the application be paid as costs of the administration, such costs to be taxed in default of agreement.

Please contact Kathryn Presdee at kathryn.presdee@amwu.org.au or on 0437 141 674 if you have any questions concerning this letter.
